The Tender Offer and the Consent Solicitation (as defined below) are being made upon the terms and subject to the conditions set forth in the Offer to Purchase and Consent Solicitation Statement dated April 2, 2018 (as the same may be amended or supplemented from time to time, the “Offer to Purchase”) and in the related Consent and Letter of Transmittal (as the same may be amended or supplemented from time to time, the “Letter of Transmittal”).

The Company announces that it has accepted for purchase all \$570,016,000 aggregate principal amount of Notes validly tendered and not validly withdrawn prior to the Early Tender Date. As previously announced, the consideration paid in the Tender Offer will be determined in

the manner described in the Offer to Purchase by reference to the applicable fixed spread over the bid side yield to maturity of the applicable U.S. Treasury Security as specified in the table above as calculated by the Dealer Managers for the Tender Offer at 11:00 a.m., New York City time, on April 16, 2018 (such time and date, as the same may be extended, the “Price Determination Date”). Holders of Notes that have been validly tendered and not validly withdrawn at or prior to the Early Tender Date and that have been accepted for purchase by the Company will receive the applicable “Total Consideration” (which includes an early tender premium of \$30 per \$1,000 principal amount of the Notes accepted for purchase) and will also receive accrued and unpaid interest on their purchased Notes from the last interest payment date for such Notes to, but excluding, the Initial Settlement Date (as defined below). The Withdrawal Deadline expired at 5:00 p.m., New York City time, on April 13, 2018, and has not been extended.

As previously announced, the Company is soliciting (the “Consent Solicitation”) consents (the “Consents”) from each Holder of the Notes to certain proposed amendments to the Indenture, dated as of October 17, 2001, by and between the Company and Deutsche Bank Trust Company Americas (as successor trustee to The Bank of New York and The Chase Manhattan Bank), as trustee, as supplemented by the applicable officers’ certificate governing each series of Notes and the Notes. The Company has not received Consents from Holders of more than 50 percent of the outstanding aggregate principal amount of any of the Notes prior to the Early Tender Date.

As previously announced, the Expiration Date of the Tender Offer is 11:59 p.m., New York City time, on April 27, 2018, unless extended or earlier terminated by the Company (such date and time, as the same may be extended, the “Expiration Date”). The settlement for Notes validly tendered and not validly withdrawn at or prior to the Early Tender Date and accepted for purchase pursuant to the Tender Offer will be on April 17, 2018 (the “Initial Settlement Date”). Assuming the Tender Offer and the Consent Solicitation are not extended and the conditions to the Tender Offer and Consent Solicitation are satisfied or waived, the Company expects that settlement for any Notes validly tendered and not validly withdrawn after the Early Tender Date and at or prior to the Expiration Date and accepted for purchase to be on May 1, 2018.
