The Tender Offer is being made upon the terms and subject to the conditions set forth in the Offer to Purchase, dated March 3, 2022 (as the same may be amended or supplemented from time to time, the "Offer to Purchase"). Capitalized terms used in this press release but not defined have the meanings given to them in the Offer to Purchase.

Mondelēz International announces that \$1,408,581,000 aggregate principal amount of Notes denominated in U.S. dollars and £206,477,000 aggregate principal amount of Notes denominated in Pounds Sterling have been validly tendered and not validly withdrawn prior to the Early Tender Date. The Maximum Tender Amount is expected to be reached, subject to the calculation of the consideration to be paid in the Tender Offer. As such, Mondelēz International announces it will increase the Maximum Tender Amount, subject to the calculation of the consideration to be paid in the Tender Offer, in order to accept for purchase all Notes validly tendered and not validly withdrawn at or prior to the Early Tender Date with acceptance priority levels 1 through 9, except for the 2030 Notes, with acceptance priority level 7, which are subject to the 2030 Notes SubCap. As such, since the aggregate principal amount of the 2030 Notes validly tendered and not validly withdrawn at or prior to the Early Tender Date exceeded the 2030 Notes SubCap, Mondelēz International will accept for purchase the 2030 Notes validly tendered and not validly withdrawn at or prior to the Early Tender Date up to the 2030 Notes SubCap on a prorated basis, in accordance with the terms and conditions described in the Offer to Purchase. Mondelēz International will not accept for purchase any of the Notes validly tendered and not validly withdrawn at or prior to the Early Tender Date with acceptance priority levels 10 and 11. No additional Notes tendered after the Early Tender Date will be accepted for purchase pursuant to the Tender Offer. Notes tendered pursuant to the Tender Offer and not accepted for purchase due to the Maximum Tender Amount, the 2030 Notes SubCap, the Acceptance Priority Levels or proration will be returned to the tendering Holders promptly following the Early Tender Date. The Withdrawal Deadline expired at 5:00 p.m., New York City time, on March 16, 2022, and has not been extended and, accordingly, Notes validly tendered in the Tender Offer may no longer be withdrawn.

As previously announced, the consideration paid in the Tender Offer will be determined in the manner described in the Offer to Purchase by reference to the applicable fixed spread over the bid-side or mid-market (as applicable) yield to maturity of the applicable Reference Security (such sum being annualized in the case of the Sterling Notes) specified in the Offer to Purchase as calculated by the Dealer Managers for the Tender Offer at 10:00 a.m., New York City time, on Thursday, March 17, 2022 (such time and date, as the same may be extended, the "Price Determination Date").

Holders who have validly tendered (and who have not validly withdrawn) their Notes at or prior to the Early Tender Date and whose Notes are accepted for purchase will receive the applicable "Total Consideration" per \$1,000 or £1,000 principal amount, as applicable, of Notes accepted for purchase, which includes an early tender premium for the applicable series of Notes as set forth in the Offer to Purchase. In addition to the Total Consideration, all Holders of Notes accepted for purchase will also receive accrued and unpaid interest on such \$1,000 or £1,000 principal amount of Notes from the last applicable interest payment date up to, but not including, the applicable settlement date, payable on the applicable settlement date ("Accrued Interest").

Settlement for Notes validly tendered and not validly withdrawn at or prior to the Early Tender Date and accepted for purchase pursuant to the Tender Offer will be on Friday, March 18, 2022.
