

FORWARD-LOOKING STATEMENTS

This presentation contains forward-looking statements. All statements other than statements of historical fact are “forward-looking statements” for purposes of federal and state securities laws. Words, and variations of words, such as “will,” “may,” “expect,” “would,” “could,” “might,” “intend,” “plan,” “believe,” “likely,” “estimate,” “anticipate,” “objective,” “predict,” “project,” “drive,” “seek,” “aim,” “target,” “potential,” “commitment,” “outlook,” “continue,” “goal” or any other similar words are intended to identify our forward-looking statements. Although we believe that the expectations reflected in any of our forward-looking statements are reasonable, actual results or outcomes could differ materially from those projected or assumed in any of our forward-looking statements. Our future financial condition and results of operations, as well as any forward-looking statements, are subject to change and to inherent risks and uncertainties, many of which are beyond our control, which could cause our actual results to differ materially from those indicated in these forward-looking statements. We disclaim and do not undertake any obligation to update or revise any forward-looking statement in this presentation except as required by applicable law or regulation. In addition, historical, current and forward-looking sustainability-related statements may be based on standards for measuring progress that are still developing, internal controls and processes that continue to evolve, and assumptions that are subject to change in the future. For important information on forward-looking statements, please see our earnings release for Q1 2025 on our investor website at <https://www.mondelezinternational.com/investors>.
