

# FORWARD-LOOKING STATEMENTS

This presentation contains a number of forward-looking statements. Words, and variations of words, such as “will,” “expect,” “believe,” “likely,” “should,” “plan,” “drive,” “deliver,” “position,” “potential,” “opportunity,” “target,” “commitment” and similar expressions are intended to identify our forward-looking statements, including, but not limited to, statements about: our future financial performance; our strategy of accelerating consumer-centric growth, driving operational excellence and creating a winning growth culture; our competitive advantages; investments and the results of and return on those investments; macroeconomic uncertainties; our business in emerging markets; our focus on snacking; our coffee investments; our commercial structure; productivity opportunities; our business in Brazil; sustainability commitments; capital expenditures; strategic transactions; and our long-term financial targets. These forward-looking statements are subject to a number of risks and uncertainties, many of which are beyond our control, which could cause our actual results to differ materially from those indicated in our forward-looking statements. Such factors include, but are not limited to, risks from operating globally including in emerging markets; changes in currency exchange rates, controls and restrictions; continued volatility of commodity and other input costs; weakness in economic conditions; weakness in consumer spending; pricing actions; tax matters including changes in tax rates and laws, disagreements with taxing authorities and imposition of new taxes; use of information technology and third party service providers; unanticipated disruptions to our business, such as the malware incident, cyberattacks or other security breaches; competition; protection of our reputation and brand image; our ability to innovate and differentiate our products; the restructuring program and our other transformation initiatives not yielding the anticipated benefits; and changes in the assumptions on which the restructuring program is based. Please also see our risk factors, as they may be amended from time to time, set forth in our filings with the SEC, including our most recently filed Annual Report on Form 10-K. Mondelez International disclaims and does not undertake any obligation to update or revise any forward-looking statement in this presentation, except as required by applicable law or regulation.
