ABOUT OUR ESG GOALS

Reported performance against our quantitative ESG goals covers the period from January 1, 2021 to December 31, 2021, and includes manufacturing facilities under our direct and indirect control, and excludes acquisitions since 2018, unless stated otherwise. Where quantitative goals are linked to operations, coverage is for all operations under the control of our integrated supply chain function excluding acquisitions since 2018, data for external manufacturing includes estimations. Our 2015 acquisition of Enjoy Life Foods is included only in our reporting for our packaging innovation goal. In addition, historical, current and forward-looking sustainability-related statements may be based on standards for measuring progress that are still developing, internal controls and processes that continue to evolve, and assumptions that are subject to change in the future. The information included in, and any issues identified as material for purposes of, this document may not be considered material for SEC reporting purposes. In the context of this disclosure, the term “material” is distinct from, and should not be confused with, such terms as defined for SEC reporting purposes.

OUR COMMITMENT TO DIVERSITY, EQUITY AND INCLUSION (DEI)

Mondelēz International takes seriously our commitment to advancing racial equality and diversity, equity and inclusion among our colleagues, culture and communities. We believe our well-established process and framework to address racial equality and DEI already fulfill the objectives of this proposal.

- **Continuously evolving and enhancing our approach**
  - Recently completed third-party Diversity & Inclusion Advisory Review in the US to assess progress (see slide 11 for details)
  - Established history of programs addressing racial justice across operations, including 10 years of our Cocoa Life program, which helps improve the livelihoods of cocoa farmers

- **Strong Board oversight**
  - Board conducts biannual reviews of DEI strategy with Chief Global Diversity Officer
  - Directors have strong DEI skillsets, including a new director with extensive experience in food equity
  - Robust shareholder engagement, including on DEI topics, with regular Board updates on feedback

- **Transparent reporting on our progress**
  - Disclosure of our racial and gender representation goals and progress, as well as our consolidated EEO-1 statement
  - Regular review and disclosure of gender pay equity globally and racial pay equity in US
  - Each business unit maintains short- and long-term goals on three strategic DEI pillars

- **Leading in responsible and inclusive marketing**
  - Founding member of International Food & Beverage Alliance, with global commitments to the World Health Organization on nutrition and responsible food marketing
  - Board oversight of efforts to promote responsible marketing and improve representation in marketing

- **Supporting communities through philanthropy and volunteering**
  - In 2021, contributed $2.7 million to scholarships, internships and community support to advance racial equality through diversity and inclusion initiatives
  - Colleagues encouraged to engage and drive change through Employee Resource Groups

- **Direct investment in research and education**
  - Working with The Recycling Partnership since 2021 to focus on improving recycling practices in communities through education and direct action; in addition, joined the Film and Flexible Coalition of the organization to expand focus into flexible packaging
  - Our partnership will expand further through the TRP Inclusion Fund where we join their strategic efforts to deliver an equitable recycling system with a goal of providing Black people and people of color equal access to recycling services
PROPOSAL 4: PROPOSAL ON RACIAL EQUITY AUDIT BOARD-LEVEL DEI OVERSIGHT AND KEY INITIATIVES

Our Board values diversity, equity and inclusion, and together our Board and People and Compensation Committee provide robust oversight of our DEI strategy.

BOARD-LEVEL OVERSIGHT

FULL BOARD OVERSIGHT

- Review of DEI strategy, stakeholder interests, risks and progress with our Chief Global Diversity Officer at least twice annually
- Embrace and encourage our DEI culture, including as a signatory to the Board Diversity Action Alliance
- Ensure our Board continues to benefit from the diversity of perspectives provided by directors from diverse backgrounds by actively seeking out women and minority director candidates

ROLE OF PEOPLE AND COMPENSATION COMMITTEE

- Review of key human resources policies and practices related to our objectives and programs for diversity
- Review of our performance against our DEI initiatives
- Oversight of DEI priorities, including talent acquisition and development practices and pay equity matters
- Oversight of the incorporation of specific DEI metrics in our executive compensation program

ROLE OF GOVERNANCE, MEMBERSHIP AND SUSTAINABILITY COMMITTEE

- Monitor issues, trends and internal and external factors and relationships, including related to racial equity, that may affect our public image and reputation

$1 Billion Goal

Progressing on our goal of $1 billion in diverse supplier spend with minority and women-owned businesses globally by 2024

KEY INITIATIVES

<1%

Less than 1% difference in pay between men and women according to our 2021 global pay equity analysis; pay for white and non-white employees in the U.S. is at parity

100% Goal

Driving human rights due diligence system coverage in own operations & tier-1 suppliers with goal of 100% by 2025

1 2021 global pay equity analysis conducted with the support of a third-party expert and encompassed 81 countries and over 32,000 salaried employees.
We are committed to a workplace that reflects the diversity of our consumers and aims to attract, develop and nurture diverse talent. In response to investor feedback, we published for the first time our consolidated EEO-1 Report in May 2021.

### Our Goals

**2X%**

By 2024, double % of women in leadership roles, over 2018 base

**2X%**

By 2024, double % U.S. Black representation in management, over 2020 base

Include specific DEI metrics as a part of the strategic scorecard within our Annual Incentive Plan for our CEO and other senior leaders

---

**At the end of 2021, women held 39% of executive leadership roles**

(defined as the Mondelez Leadership Team plus one level below)

**At the end of 2021, Black employees held 5.1% of U.S. management roles**

(defined as Director and above) as compared to 3.2% at the end of 2020, a 1.9 percentage point increase

**In 2021 our leadership team continued to work on building a winning culture, achieving performance ahead of expectations on DEI in leadership KPIs**

---

1. Note that the EEO-1 categories are not necessarily representative of how our industry or workforce is organized.
PROPOSAL 4: PROPOSAL ON RACIAL EQUITY AUDIT REVIEW OF DIVERSITY & INCLUSION AT MONDEŁEZ US

Third-party review of Mondelēz US Diversity & Inclusion (D&I) program, commissioned by Internal Audit

The review found that we have built a strong D&I framework and roadmap and excel within the consumer packaged goods (CPG) industry in terms of Women in Leadership and Black Management representation. Overall, MDLZ was assessed at the ‘Established’ maturity level in line with the CPG industry average.

### 2021 CURRENT STRENGTHS

**GOVERNANCE & OPERATING MODEL**
- Robust D&I governance framework
- Leadership support and alignment with D&I roadmap
- D&I goals established across talent lifecycle

**TALENT MANAGEMENT**
- Leading D&I programs in place (e.g., D&I impact awards)

**LEARNING & DEVELOPMENT**
- Quality training content through the D&I learning hub

**METRICS & REPORTING**
- Quarterly reporting of D&I KPIs

### 2022+ KEY OPPORTUNITIES

**GOVERNANCE & OPERATING MODEL**
- Evaluate D&I resource needs
- Further enable People Managers to advance progress on D&I priorities

**TALENT MANAGEMENT**
- Continue to set and track D&I objectives
- Consider expanding D&I objective setting to all managerial levels
- Assess for potential equity barriers, if any, in talent lifecycle

**METRICS & REPORTING**
- Enhance processes & controls for KPI calculation & reporting
- Develop strategy to encourage self-reported data collection
PROPOSAL 4: PROPOSAL ON RACIAL EQUITY AUDIT

EMPOWERING PEOPLE TO SNACK RIGHT

We define our ESG goals and progress, including those related to DEI, through the lens of Snacking Made Right and are pursuing our ambition of building a more sustainable snacking company.

1. More sustainably sourced ingredients from empowered communities
2. Decreasing impact on climate & landscape
3. Diversity, equity & inclusion for colleagues, culture & communities
4. Products meeting evolving snacking needs
5. Net zero packaging waste
6. Strong Governance

BUILDING A MORE SUSTAINABLE SNACKING COMPANY

In May 2022, we plan to publish the 2021 edition of our Snacking Made Right Report, highlighting how our differentiated approach to ESG drives global progress and creates long-term value.

We are constantly evaluating the impact that major societal issues such as safety, supply security, environmental footprint and consumer well-being have on our business and use them to shape our strategic initiatives.

As we continue building a more sustainable snacking company, we remain focused on:
- More sustainably sourced ingredients from empowered communities
- Decreasing impact on climate and landscape
- Diversity, equity and inclusion for colleagues, culture and communities
- Products that meet evolving consumer snacking needs
- Net zero packaging waste and circular pack economy

In September, we successfully launched our first green bond, the largest ever in the Packaged and Consumer Good industry at the time of issue. We intend to allocate proceeds to eligible projects that further our sustainability objectives.

We are tracking adoption of standards such as those published by SASB and TCFD, and we disclose alignment indexes to SASB and TCFD on our website.

1. Through Cocoa Life Program.
Our purpose-led innovative approach, including our DEI goals, is integrated within our business strategy. We prioritize where we can have greater impact and focus on long-term more sustainable outcomes.

### Environmental
- **Ingredients:** Signature sourcing programs: Cocoa, Life, Harmony, Wheat and sustainable Palm Oil building resilient landscapes & supply chains
- **Climate:** Combat climate change through end-to-end approach to our goal to reach net zero emissions across scopes 1, 2 and 3 by 2050
- **Packaging:** Strive for net zero waste packaging through less and better packaging and improved systems aiming for a circular pack economy
- **Social Impact:** Promote human rights across our value chain and enable empowered communities

### Social
- **Diversity, Equity & Inclusion:** Champion diversity, equity & inclusion for our Colleagues, Culture & Communities
- **Consumer Well-Being:** Empower consumers with contemporary well-being options and choices, mindful snacking habits and portion control
- **Employee Well-Being:** Build a culture which enhances the safety, physical & mental well-being of our colleagues

**Governance:** Promoting Accountability, Strong Board Oversight, Transparency, Stakeholder Engagement, Aligned Incentives
**2021 SUSTAINABILITY PERFORMANCE DASHBOARD**

Building on our strong 2020 results, we continued to make good progress on our sustainability goals in 2021 as we work toward our 2025 goals and develop plans and goals for 2030.

PROPOSAL 4: PROPOSAL ON RACIAL EQUITY AUDIT

COMPREHENSIVE PACKAGING STRATEGY TO ADDRESS SYSTEMIC CHALLENGES

MONDELEZ INTERNATIONAL PACKAGING OVERVIEW

Our ambition is to reduce our overall packaging footprint, design our packaging to be recyclable and support the development of infrastructure to physically recycle our packaging. Many of our snacks use lightweight protective plastic packaging. This results in us using 60% less packaging per point of revenue than our peer average. It also brings benefits such as helping reduce transportation emissions and prolonging food shelf-life.

MONDELEZ INTERNATIONAL GLOBAL SUSTAINABLE PACKAGING STRATEGY

LESS PACKAGING

WORKING WITH INDUSTRY PARTNERS TO DRIVE SYSTEMIC CHANGE

Industry-wide collaboration is needed to achieve scalable impact. We work with multiple partners to identify solutions, and advocate for complete infrastructure development.

PARTNERSHIP EXAMPLES

• Working together with The Recycling Partnership (TRP) to help communities improve recycling practices

• Supporter of TRP’s Inclusion Fund to help provide people of color equal access to recycling by researching potential barriers and solutions, and providing recycling infrastructure and education resources

• US and Canadian Plastics Pact founding members Establishing new goals, driving innovation and industry partnerships, advocating for infrastructure establishment and inclusion of flexible

• Joined with focus on proactive engagement in public policy on infrastructure development in US Development of legislative solutions; industry coalition advocating for legislative change

PROPOSAL 5: PROPOSAL REQUIRING INDEPENDENT CHAIR OF THE BOARD

STRONG INDEPENDENT LEAD DIRECTOR WITH ROBUST RESPONSIBILITIES

As part of our thoughtful succession process, the Board voted to appoint Patrick Siewert as Independent Lead Director following the Annual Meeting.

Maintaining flexibility in Board leadership structure is in the best interest of shareholders:
- By-Laws provide necessary flexibility for Board to make thoughtful decisions about appropriate leadership structure
- Robust Lead Director role with substantive leadership responsibilities
- Corporate governance structures and processes consistent with best practices that promote effective oversight and accountability
- Continued strong performance under existing leadership structure

Patrick T. Siewert
Independent Lead Director (following the 2022 AGM)
Managing Director & Partner, The Carlyle Group
Director Since 2012

Lead Director’s significant authority and responsibilities protect shareholder interests by promoting strong management oversight and accountability:
- Serves as a liaison between the independent directors and the Chairman and CEO
- Seeks input from independent directors and advises Chairman and CEO on schedule, agenda topics and content of related briefing materials for Board meetings
- Reviews and approves meeting agendas and content of Board briefing materials
- Reviews and approves allocation of time between Board and committee meetings
- Presides at Board meetings at which the Chairman and CEO is not present, including executive sessions of the independent directors
- Calls meetings of the independent directors or of the Board as needed
- Facilitates effective communication and interaction between the Board and management
- Serves as an ex officio non-voting member of all Board committees
- Provides input into the design of the annual Board, committee and director self-evaluation process
- Works with the Governance Committee to develop recommendations for committee structure, membership, rotations and chairs
- Available for consultation and direct communication with our major shareholders
- Performs such other duties as the Board may delegate from time to time
WE REQUEST YOUR CONTINUED SUPPORT

The Board values the trust that you place in us when you invest in Mondelēz International and we are committed to delivering on your expectations. We encourage you to vote with us at the 2022 Annual Meeting.
