CERTIFICATE OF AUTHENTICATION

This is one of the Securities of the series designated therein described in the within-mentioned Indenture.

DEUTSCHE BANK TRUST COMPANY
AMERICAS, as Trustee

By: _____
Name: Carol Ng
Title: Vice President

KRAFT FOODS INC.

This Note is one of a duly authorized issue of debentures, notes or other evidences of indebtedness (hereinafter called the "Securities") of the Company of the series hereinafter specified, which series is limited in aggregate principal amount to \$1,000,000,000 (except as provided in the Indenture hereinafter mentioned), all such Securities issued and to be issued under an Indenture dated as of October 17, 2001 between the Company and Deutsche Bank Trust Company Americas (as successor to The Bank of New York and The Chase Manhattan Bank), as Trustee (herein called the "Indenture"), to which Indenture and all other indentures supplemental thereto reference is hereby made for a statement of the rights and limitations of rights thereunder of the Holders of the Securities and of the rights, obligations, duties and immunities of the Trustee for each series of Securities and of the Company, and the terms upon which the Securities are and are to be authenticated and delivered. As provided in the Indenture, the Securities may be issued in one or more series, which different series may be issued in various aggregate principal amounts, may mature at different times, may bear interest, if any, at different rates, may be subject to different redemption provisions, if any, may be subject to different sinking, purchase or analogous funds, if any, may be subject to different covenants and Events of Default and may otherwise vary as in the Indenture provided or permitted. This Note is one of a series of the Securities designated therein as 2.625% Notes due 2013 (the "Notes").

The Company may, without the consent of the Holders of the Notes, issue additional notes having the same ranking and the same interest rate, maturity and other terms as the Notes, except for the issue price, issue date and, in some cases, the first payment of interest or interest accruing prior to the issue date of such additional notes. Any additional notes having such similar terms, together with the Notes, shall constitute a single series of notes under the Indenture. No additional notes may be issued if an Event of Default has occurred with respect to the Notes.

Change of Control

If a Change of Control Triggering Event (as defined below) occurs, unless the Company has exercised its right to redeem the Notes, Holders may require the Company to repurchase all or any part (equal to \$2,000 or an integral multiple of \$1,000 in excess thereof) of their Notes pursuant to an offer (the "Change of Control Offer") of payment in cash equal to 101% of the aggregate principal amount of Notes repurchased plus accrued and unpaid interest, if any, on the Notes repurchased, to the date of purchase (the "Change of Control Payment"). Within 30 days following any Change of Control Triggering Event, the Company will mail a notice to Holders describing the transaction or transactions that constitute the Change of Control Triggering Event and offering to repurchase the Notes on the date specified in the notice, which date will be no earlier than 30 days and no later than 60 days from the date such notice is mailed (the "Change of Control Payment Date"), pursuant to the procedures described in such notice. The Company must comply with the requirements of Rule 14e-1 under the Securities Exchange Act of 1934 (the "Exchange Act") and any other securities laws and regulations thereunder to the extent those laws and regulations are applicable in connection with the repurchase of the Notes as a result of a Change of Control Triggering Event. To the extent that the provisions of any securities laws or regulations conflict with the Change of Control provisions of the Notes, the Company will comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under the Change of Control provisions of the Notes by virtue of such conflicts.

On the Change of Control Payment Date, the Company will, to the extent lawful:

- accept for payment all Notes or portions of Notes properly tendered pursuant to the Change of Control Offer;
- deposit with the paying agent an amount equal to the Change of Control Payment in respect of all Notes or portions of Notes properly tendered; and
- deliver or cause to be delivered to the Trustee the Notes properly accepted together with an officers' certificate stating the aggregate principal amount of Notes or portions of Notes being purchased.

The paying agent will promptly mail to each Holder of notes properly tendered the purchase price for the Notes, and the Trustee will promptly authenticate and mail (or cause to be transferred by book-entry) to each Holder a new note equal in principal amount to any unpurchased portion of any Notes surrendered; *provided* that each new note will be in a principal amount of \$2,000 or an integral multiple of \$1,000 in excess thereof.

The Company will not be required to make an offer to repurchase the Notes upon a Change of Control Triggering Event if a third party makes such an offer in the manner, at the times and otherwise in compliance with the requirements for an offer made by the Company and such third party purchases all Notes properly tendered and not withdrawn under its offer.

For purposes of the foregoing discussion of a repurchase at the option of Holders, the following definitions are applicable:

“Below Investment Grade Rating Event” means the Notes are rated below an Investment Grade Rating by each of the Rating Agencies (as defined below) on any date from the date of the public notice of an arrangement that could result in a Change of Control until the end of the 60-day period following public notice of the occurrence of the Change of Control (which 60-day period shall be extended so long as the rating of the Notes is under publicly announced consideration for possible downgrade by any of the Rating Agencies); *provided* that a below investment grade rating event otherwise arising by virtue of a particular reduction in rating shall not be deemed to have occurred in respect to a particular Change of Control (and thus shall not be deemed a below investment grade rating event for purposes of the definition of Change of Control Triggering Event hereunder) if the rating agencies making the reduction in rating to which this definition would otherwise apply do not announce or publicly confirm or inform the Trustee in writing at its request that the reduction was the result, in whole or in part, of any event or circumstance comprised of or arising as a result of, or in respect of, the applicable Change of Control (whether or not the applicable Change of Control shall have occurred at the time of the below investment grade rating event).

“Change of Control” means the occurrence of any of the following: (1) the direct or indirect sale, transfer, conveyance or other disposition (other than by way of merger or consolidation), in one or a series of related transactions, of all or substantially all of the properties or assets of the Company and its subsidiaries taken as a whole to any Person or group of related persons for purposes of Section 13(d) of the Exchange Act (a “Group”) other than the Company or one of its subsidiaries; (2) the approval by the holders of the Company’s common stock of any plan or proposal for the liquidation or dissolution of the Company (whether or not otherwise in compliance with the provisions of the indenture); (3) the consummation of any transaction (including, without limitation, any merger or consolidation) the result of which is that any Person or Group becomes the beneficial owner, directly or indirectly, of more than 50% of the then outstanding number of shares of the Company’s voting stock; or (4) the first day on which a majority of the members of the Company’s Board of Directors are not Continuing Directors.

“Change of Control Triggering Event” means the occurrence of both a Change of Control and a Below Investment Grade Rating Event.

“Continuing Directors” means, as of any date of determination, any member of the Board of Directors of the Company who (1) was a member of such Board of Directors on the date of the issuance of the Notes; or (2) was nominated for election or elected to such Board of Directors with the approval of a majority of the Continuing Directors who were members of such Board of Directors at the time of such nomination or election (either by a specific vote or by approval of the Company’s proxy statement in which such member was named as a nominee for election as a director, without objection to such nomination).

“Fitch” means Fitch Inc.

“Investment Grade Rating” means a rating equal to or higher than BBB- (or the equivalent) by Fitch, Baa3 (or the equivalent) by Moody’s and BBB- (or the equivalent) by S&P, respectively.

“Moody’s” means Moody’s Investors Service, Inc.

“Person” has the meaning set forth in the indenture and includes a “person” as used in Section 13(d)(3) of the Exchange Act.

“Rating Agencies” means (1) each of Fitch, Moody’s and S&P; and (2) if any of Fitch, Moody’s or S&P ceases to rate the Notes or fails to make a rating of the Notes publicly available for reasons outside of the Company’s control, a “nationally recognized statistical rating organization” within the meaning of Rule 15c3-1(c)(2)(vi)(F) under the Exchange Act, selected by the Company (as certified by a resolution of the Company’s Board of Directors) as a replacement agency for Fitch, Moody’s or S&P, or all of them, as the case may be.

“S&P” means Standard & Poor’s Ratings Services, a division of The McGraw-Hill Companies, Inc.

Payment of Additional Amounts

Section 1010 of the Indenture shall be applicable to the Notes, except that the term “Holder,” when used in Section 1010 of the Indenture, shall mean the beneficial owner of a Note or any person holding on behalf or for the account of the beneficial owner of a Note.

Optional Redemption

The Company may redeem the Notes prior to maturity in whole, but not in part, on not more than 60 days’ notice and not less than 30 days’ notice at a redemption price equal to the principal amount of such Notes plus any accrued interest and additional amounts to the date fixed for redemption if:

- as a result of a change in or amendment to the tax laws, regulations or rulings of the United States or any political subdivision or taxing authority of or in the United States or any change in official position regarding the application or interpretation of such laws, regulations or rulings (including a holding by a court of competent jurisdiction in the United States) that is announced or becomes effective on or after February 8, 2010, the Company has or will become obligated to pay additional amounts with respect to such series of Notes as described in Section 1010 of the Indenture, or
- on or after February 8, 2010, any action is taken by a taxing authority of, or any decision has been rendered by a court of competent jurisdiction in, the United States or any political subdivision of or in the United States, including any of those actions specified above, whether or not such action was taken or decision was rendered with respect to the Company, or any change, amendment, application or interpretation is officially proposed, which, in any such case, in the written opinion of independent legal counsel of recognized standing, will result in a material probability that the Company will become obligated to pay additional amounts with respect to such series of Notes, and the Company in its business judgment determine that such obligations cannot be avoided by the use of reasonable measures available to the Company.

If the Company exercises its option to redeem the Notes, the Company will deliver to the Trustee a certificate signed by an authorized officer stating that it is entitled to redeem the Notes and an opinion of independent tax counsel to the effect that the circumstances described in the above bullets exist.

Defeasance

The Indenture contains provisions for defeasance at any time of the entire principal of all the Securities of any series upon compliance by the Company with certain conditions set forth therein.

Certain of the Company’s obligations under the Indenture with respect to Notes, may be terminated if the Company irrevocably deposits with the Trustee money or Government Obligations sufficient to pay and discharge the entire indebtedness on a the Indenture.

Events of Default

If an Event of Default (other than an Event of Default described in Section 501(4) or 501(5) of the Indenture) with respect to the Notes shall occur and be continuing, then either the Trustee or the Holders of not less than 25% in principal amount of the Notes of this series then Outstanding may declare the entire principal amount of the Notes of this series due and payable in the manner and with effect provided in the Indenture. If an Event of Default specified in Section 501(4) or 501(5) occurs with respect to the Company, all of the unpaid principal amount and accrued interest then outstanding shall ipso facto become and be immediately due and payable in the manner and with the effect provided in the Indenture without any declaration or other act by the Trustee or any Holder.

Amendments

The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Company and the rights of the Holders of the Securities under the Indenture at any time by the Company with the consent of the Holders of more than 50% in aggregate principal amount of the Securities at the time Outstanding of each series issued under the Indenture to be affected thereby. The Indenture also contains provisions permitting the Holders of specified percentages in aggregate principal amount of the Securities of that series at the time Outstanding, on behalf of the Holders of all the Securities of such series, to waive compliance by the Company with certain provisions of the Indenture and certain past defaults under the Indenture and their consequences with respect to such series. Any such consent or waiver by the Holder of this Note shall be conclusive and binding upon such Holder and upon all future Holders of this Note and of any Note issued upon the transfer hereof or in exchange or in lieu hereof whether or not notation of such consent or waiver is made upon this Note.

Payment

No reference herein to the Indenture and no provision of this Note or of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal of and interest on this Note at the times, place and rate, and in the coin or currency, herein and in the Indenture prescribed.

Transfer, Registration and Exchange

As provided in the Indenture and subject to certain limitations therein set forth, this Note is transferable on the Security Register of the Company, upon surrender of this Note for registration of transfer at the office or agency of the Company to be maintained for that purpose in the Borough of Manhattan, The City of New York, or at any other office or agency of the Company maintained for that purpose, duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Company and the Security Registrar duly executed by the Holder hereof or his attorney duly authorized in writing, and thereupon due or one or more new notes, of authorized denominations and for the same aggregate principal amount, will be issued to the designated transferee or transferees.

No additional notes may be issued if an Event of Default has occurred with respect to the Notes.

Change of Control

If a Change of Control Triggering Event (as defined below) occurs, unless the Company has exercised its right to redeem the Notes, Holders may require the Company to repurchase all or any part (equal to \$2,000 or an integral multiple of \$1,000 in excess thereof) of their Notes pursuant to an offer (the "Change of Control Offer") of payment in cash equal to 101% of the aggregate principal amount of Notes repurchased plus accrued and unpaid interest, if any, on the Notes repurchased, to the date of purchase (the "Change of Control Payment"). Within 30 days following any Change of Control Triggering Event, the Company will mail a notice to Holders describing the transaction or transactions that constitute the Change of Control Triggering Event and offering to repurchase the Notes on the date specified in the notice, which date will be no earlier than 30 days and no later than 60 days from the date such notice is mailed (the "Change of Control Payment Date"), pursuant to the procedures described in such notice. The Company must comply with the requirements of Rule 14e-1 under the Securities Exchange Act of 1934 (the "Exchange Act") and any other securities laws and regulations thereunder to the extent those laws and regulations are applicable in connection with the repurchase of the Notes as a result of a Change of Control Triggering Event. To the extent that the provisions of any securities laws or regulations conflict with the Change of Control provisions of the Notes, the Company will comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under the Change of Control provisions of the Notes by virtue of such conflicts.

On the Change of Control Payment Date, the Company will, to the extent lawful:

- accept for payment all Notes or portions of Notes properly tendered pursuant to the Change of Control Offer;
- deposit with the paying agent an amount equal to the Change of Control Payment in respect of all Notes or portions of Notes properly tendered; and
- deliver or cause to be delivered to the Trustee the Notes properly accepted together with an officers' certificate stating the aggregate principal amount of Notes or portions of Notes being purchased.

The paying agent will promptly mail to each Holder of notes properly tendered the purchase price for the Notes, and the Trustee will promptly authenticate and mail (or cause to be transferred by book-entry) to each Holder a new note equal in principal amount to any unpurchased portion of any Notes surrendered; *provided* that each new note will be in a principal amount of \$2,000 or an integral multiple of \$1,000 in excess thereof.

The Company will not be required to make an offer to repurchase the Notes upon a Change of Control Triggering Event if a third party makes such an offer in the manner, at the times and otherwise in compliance with the requirements for an offer made by the Company and such third party purchases all Notes properly tendered and not withdrawn under its offer.

For purposes of the foregoing discussion of a repurchase at the option of Holders, the following definitions are applicable:

“Below Investment Grade Rating Event” means the Notes are rated below an Investment Grade Rating by each of the Rating Agencies (as defined below) on any date from the date of the public notice of an arrangement that could result in a Change of Control until the end of the 60-day period following public notice of the occurrence of the Change of Control (which 60-day period shall be extended so long as the rating of the Notes is under publicly announced consideration for possible downgrade by any of the Rating Agencies); *provided* that a below investment grade rating event otherwise arising by virtue of a particular reduction in rating shall not be deemed to have occurred in respect to a particular Change of Control (and thus shall not be deemed a below investment grade rating event for purposes of the definition of Change of Control Triggering Event hereunder) if the rating agencies making the reduction in rating to which this definition would otherwise apply do not announce or publicly confirm or inform the Trustee in writing at its request that the reduction was the result, in whole or in part, of any event or circumstance comprised of or arising as a result of, or in respect of, the applicable Change of Control (whether or not the applicable Change of Control shall have occurred at the time of the below investment grade rating event).

“Change of Control” means the occurrence of any of the following: (1) the direct or indirect sale, transfer, conveyance or other disposition (other than by way of merger or consolidation), in one or a series of related transactions, of all or substantially all of the properties or assets of the Company and its subsidiaries taken as a whole to any Person or group of related persons for purposes of Section 13(d) of the Exchange Act (a “Group”) other than the Company or one of its subsidiaries; (2) the approval by the holders of the Company’s common stock of any plan or proposal for the liquidation or dissolution of the Company (whether or not otherwise in compliance with the provisions of the indenture); (3) the consummation of any transaction (including, without limitation, any merger or consolidation) the result of which is that any Person or Group becomes the beneficial owner, directly or indirectly, of more than 50% of the then outstanding number of shares of the Company’s voting stock; or (4) the first day on which a majority of the members of the Company’s Board of Directors are not Continuing Directors.

“Change of Control Triggering Event” means the occurrence of both a Change of Control and a Below Investment Grade Rating Event.

“Continuing Directors” means, as of any date of determination, any member of the Board of Directors of the Company who (1) was a member of such Board of Directors on the date of the issuance of the Notes; or (2) was nominated for election or elected to such Board of Directors with the approval of a majority of the Continuing Directors who were members of such Board of Directors at the time of such nomination or election (either by a specific vote or by approval of the Company’s proxy statement in which such member was named as a nominee for election as a director, without objection to such nomination).

“Fitch” means Fitch Inc.

“Investment Grade Rating” means a rating equal to or higher than BBB- (or the equivalent) by Fitch, Baa3 (or the equivalent) by Moody’s and BBB- (or the equivalent) by S&P, respectively.

“Moody’s” means Moody’s Investors Service, Inc.

“Person” has the meaning set forth in the indenture and includes a “person” as used in Section 13(d)(3) of the Exchange Act.

“Rating Agencies” means (1) each of Fitch, Moody’s and S&P; and (2) if any of Fitch, Moody’s or S&P ceases to rate the Notes or fails to make a rating of the Notes publicly available for reasons outside of the Company’s control, a “nationally recognized statistical rating organization” within the meaning of Rule 15c3-1(c)(2)(vi)(F) under the Exchange Act, selected by the Company (as certified by a resolution of the Company’s Board of Directors) as a replacement agency for Fitch, Moody’s or S&P, or all of them, as the case may be.

“S&P” means Standard & Poor’s Ratings Services, a division of The McGraw-Hill Companies, Inc.

Payment of Additional Amounts

Section 1010 of the Indenture shall be applicable to the Notes, except that the term “Holder,” when used in Section 1010 of the Indenture, shall mean the beneficial owner of a Note or any person holding on behalf or for the account of the beneficial owner of a Note.

Optional Redemption

The Company may redeem the Notes prior to maturity in whole, but not in part, on not more than 60 days’ notice and not less than 30 days’ notice at a redemption price equal to the principal amount of such Notes plus any accrued interest and additional amounts to the date fixed for redemption if:

- as a result of a change in or amendment to the tax laws, regulations or rulings of the United States or any political subdivision or taxing authority of or in the United States or any change in official position regarding the application or interpretation of such laws, regulations or rulings (including a holding by a court of competent jurisdiction in the United States) that is announced or becomes effective on or after February 8, 2010, the Company has or will become obligated to pay additional amounts with respect to such series of Notes as described in Section 1010 of the Indenture, or
- on or after February 8, 2010, any action is taken by a taxing authority of, or any decision has been rendered by a court of competent jurisdiction in, the United States or any political subdivision of or in the United States, including any of those actions specified above, whether or not such action was taken or decision was rendered with respect to the Company, or any change, amendment, application or interpretation is officially proposed, which, in any such case, in the written opinion of independent legal counsel of recognized standing, will result in a material probability that the Company will become obligated to pay additional amounts with respect to such series of Notes, and the Company in its business judgment determine that such obligations cannot be avoided by the use of reasonable measures available to the Company.

If the Company exercises its option to redeem the Notes, the Company will deliver to the Trustee a certificate signed by an authorized officer stating that it is entitled to redeem the Notes and an opinion of independent tax counsel to the effect that the circumstances described in the above bullets exist.

Defeasance

The Indenture contains provisions for defeasance at any time of the entire principal of all the Securities of any series upon compliance by the Company with certain conditions set forth therein.

Certain of the Company’s obligations under the Indenture with respect to Notes, may be terminated if the Company irrevocably deposits with the Trustee money or Government Obligations sufficient to pay and discharge the entire indebtedness on a the Indenture.

Events of Default

If an Event of Default (other than an Event of Default described in Section 501(4) or 501(5) of the Indenture) with respect to the Notes shall occur and be continuing, then either the Trustee or the Holders of not less than 25% in principal amount of the Notes of this series then Outstanding may declare the entire principal amount of the Notes of this series due and payable in the manner and with effect provided in the Indenture. If an Event of Default specified in Section 501(4) or 501(5) occurs with respect to the Company, all of the unpaid principal amount and accrued interest then outstanding shall ipso facto become and be immediately due and payable in the manner and with the effect provided in the Indenture without any declaration or other act by the Trustee or any Holder.

Amendments

The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Company and the rights of the Holders of the Securities under the Indenture at any time by the Company with the consent of the Holders of more than 50% in aggregate principal amount of the Securities at the time Outstanding of each series issued under the Indenture to be affected thereby. The Indenture also contains provisions permitting the Holders of specified percentages in aggregate principal amount of the Securities of that series at the time Outstanding, on behalf of the Holders of all the Securities of such series, to waive compliance by the Company with certain provisions of the Indenture and certain past defaults under the Indenture and their consequences with respect to such series. Any such consent or waiver by the Holder of this Note shall be conclusive and binding upon such Holder and upon all future Holders of this Note and of any Note issued upon the transfer hereof or in exchange or in lieu hereof whether or not notation of such consent or waiver is made upon this Note.

Payment

No reference herein to the Indenture and no provision of this Note or of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal of and interest on this Note at the times, place and rate, and in the coin or currency, herein and in the Indenture prescribed.

Transfer, Registration and Exchange

As provided in the Indenture and subject to certain limitations therein set forth, this Note is transferable on the Security Register of the Company, upon surrender of this Note for registration of transfer at the office or agency of the Company to be maintained for that purpose in the Borough of Manhattan, The City of New York, or at any other office or agency of the Company maintained for that purpose, duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Company and the Security Registrar duly executed by the Holder hereof or his attorney duly authorized in writing, and thereupon due or one or more new notes, of authorized denominations and for the same aggregate principal amount, will be issued to the designated transferee or transferees.

The Notes are issuable only in registered form without coupons in denominations of \$2,000 and any multiple of \$1,000 in excess thereof. As provided in the Indenture and subject to certain limitations therein set forth, Notes are exchangeable for a like aggregate principal amount of Notes of a like tenor and of a different authorized denomination, as requested by the Holder surrendering the same.

No service charge shall be made for any such registration of transfer or exchange, but the Company may require payment of a sum sufficient to cover any tax or other governmental charge payable in connection therewith.

The Company, the Trustee for the Notes and any agent of the Company or such Trustee may treat the Person in whose name this Note is registered as the owner hereof for the purpose of receiving payment as herein provided and for all other purposes, whether or not this Note be overdue, and neither the Company, such Trustee nor any such agent shall be affected by notice to the contrary.

KRAFT FOODS INC.

This Note is one of a duly authorized issue of debentures, notes or other evidences of indebtedness (hereinafter called the "Securities") of the Company of the series hereinafter specified, which series is limited in aggregate principal amount to \$3,750,000,000 (except as provided in the Indenture hereinafter mentioned), all such Securities issued and to be issued under an Indenture dated as of October 17, 2001 between the Company and Deutsche Bank Trust Company Americas (as successor to The Bank of New York and The Chase Manhattan Bank), as Trustee (herein called the "Indenture"), to which Indenture and all other indentures supplemental thereto reference is hereby made for a statement of the rights and limitations of rights thereunder of the Holders of the Securities and of the rights, obligations, duties and immunities of the Trustee for each series of Securities and of the Company, and the terms upon which the Securities are and are to be authenticated and delivered. As provided in the Indenture, the Securities may be issued in one or more series, which different series may be issued in various aggregate principal amounts, may mature at different times, may bear interest, if any, at different rates, may be subject to different redemption provisions, if any, may be subject to different sinking, purchase or analogous funds, if any, may be subject to different covenants and Events of Default and may otherwise vary as in the Indenture provided or permitted. This Note is one of a series of the Securities designated therein as 5.375% Notes due 2020 (the "Notes").

The Company may, without the consent of the Holders of the Notes, issue additional notes having the same ranking and the same interest rate, maturity and other terms as the Notes, except for the issue price, issue date and, in some cases, the first payment of interest or interest accruing prior to the issue date of such additional notes. Any additional notes having such similar terms, together with the Notes, shall constitute a single series of notes under the Indenture. No additional notes may be issued if an Event of Default has occurred with respect to the Notes.

Change of Control

If a Change of Control Triggering Event (as defined below) occurs, unless the Company has exercised its right to redeem the Notes, Holders may require the Company to repurchase all or any part (equal to \$2,000 or an integral multiple of \$1,000 in excess thereof) of their Notes pursuant to an offer (the "Change of Control Offer") of payment in cash equal to 101% of the aggregate principal amount of Notes repurchased plus accrued and unpaid interest, if any, on the Notes repurchased, to the date of purchase (the "Change of Control Payment"). Within 30 days following any Change of Control Triggering Event, the Company will mail a notice to Holders describing the transaction or transactions that constitute the Change of Control Triggering Event and offering to repurchase the Notes on the date specified in the notice, which date will be no earlier than 30 days and no later than 60 days from the date such notice is mailed (the "Change of Control Payment Date"), pursuant to the procedures described in such notice. The Company must comply with the requirements of Rule 14e-1 under the Securities Exchange Act of 1934 (the "Exchange Act") and any other securities laws and regulations thereunder to the extent those laws and regulations are applicable in connection with the repurchase of the Notes as a result of a Change of Control Triggering Event. To the extent that the provisions of any securities laws or regulations conflict with the Change of Control provisions of the Notes, the Company will comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under the Change of Control provisions of the Notes by virtue of such conflicts.

On the Change of Control Payment Date, the Company will, to the extent lawful:

- accept for payment all Notes or portions of Notes properly tendered pursuant to the Change of Control Offer;
- deposit with the paying agent an amount equal to the Change of Control Payment in respect of all Notes or portions of Notes properly tendered; and
- deliver or cause to be delivered to the Trustee the Notes properly accepted together with an officers' certificate stating the aggregate principal amount of Notes or portions of Notes being purchased.

The paying agent will promptly mail to each Holder of notes properly tendered the purchase price for the Notes, and the Trustee will promptly authenticate and mail (or cause to be transferred by book-entry) to each Holder a new note equal in principal amount to any unpurchased portion of any Notes surrendered; *provided* that each new note will be in a principal amount of \$2,000 or an integral multiple of \$1,000 in excess thereof.

The Company will not be required to make an offer to repurchase the Notes upon a Change of Control Triggering Event if a third party makes such an offer in the manner, at the times and otherwise in compliance with the requirements for an offer made by the Company and such third party purchases all Notes properly tendered and not withdrawn under its offer.

For purposes of the foregoing discussion of a repurchase at the option of Holders, the following definitions are applicable:

“Change of Control” means the occurrence of any of the following: (1) the direct or indirect sale, transfer, conveyance or other disposition (other than by way of merger or consolidation), in one or a series of related transactions, of all or substantially all of the properties or assets of the Company and its subsidiaries taken as a whole to any Person or group of related persons for purposes of Section 13(d) of the Exchange Act (a “Group”) other than the Company or one of its subsidiaries; (2) the approval by the holders of the Company’s common stock of any plan or proposal for the liquidation or dissolution of the Company (whether or not otherwise in compliance with the provisions of the indenture); (3) the consummation of any transaction (including, without limitation, any merger or consolidation) the result of which is that any Person or Group becomes the beneficial owner, directly or indirectly, of more than 50% of the then outstanding number of shares of the Company’s voting stock; or (4) the first day on which a majority of the members of the Company’s Board of Directors are not Continuing Directors.

“Change of Control Triggering Event” means the occurrence of both a Change of Control and a Below Investment Grade Rating Event.

“Continuing Directors” means, as of any date of determination, any member of the Board of Directors of the Company who (1) was a member of such Board of Directors on the date of the issuance of the Notes; or (2) was nominated for election or elected to such Board of Directors with the approval of a majority of the Continuing Directors who were members of such Board of Directors at the time of such nomination or election (either by a specific vote or by approval of the Company’s proxy statement in which such member was named as a nominee for election as a director, without objection to such nomination).

“Fitch” means Fitch Inc.

“Investment Grade Rating” means a rating equal to or higher than BBB- (or the equivalent) by Fitch, Baa3 (or the equivalent) by Moody’s and BBB- (or the equivalent) by S&P, respectively.

“Moody’s” means Moody’s Investors Service, Inc.

“Person” has the meaning set forth in the indenture and includes a “person” as used in Section 13(d)(3) of the Exchange Act.

“Rating Agencies” means (1) each of Fitch, Moody’s and S&P; and (2) if any of Fitch, Moody’s or S&P ceases to rate the Notes or fails to make a rating of the Notes publicly available for reasons outside of the Company’s control, a “nationally recognized statistical rating organization” within the meaning of Rule 15c3-1(c)(2)(vi)(F) under the Exchange Act, selected by the Company (as certified by a resolution of the Company’s Board of Directors) as a replacement agency for Fitch, Moody’s or S&P, or all of them, as the case may be.

“S&P” means Standard & Poor’s Ratings Services, a division of The McGraw-Hill Companies, Inc.

Payment of Additional Amounts

Section 1010 of the Indenture shall be applicable to the Notes, except that the term “Holder,” when used in Section 1010 of the Indenture, shall mean the beneficial owner of a Note or any person holding on behalf or for the account of the beneficial owner of a Note.

Optional Redemption

The Company may redeem the Notes prior to maturity in whole, but not in part, on not more than 60 days’ notice and not less than 30 days’ notice at a redemption price equal to the principal amount of such Notes plus any accrued interest and additional amounts to the date fixed for redemption if:

- as a result of a change in or amendment to the tax laws, regulations or rulings of the United States or any political subdivision or taxing authority of or in the United States or any change in official position regarding the application or interpretation of such laws, regulations or rulings (including a holding by a court of competent jurisdiction in the United States) that is announced or becomes effective on or after February 8, 2010, the Company has or will become obligated to pay additional amounts with respect to such series of Notes as described in Section 1010 of the Indenture, or
- on or after February 8, 2010, any action is taken by a taxing authority of, or any decision has been rendered by a court of competent jurisdiction in, the United States or any political subdivision of or in the United States, including any of those actions specified above, whether or not such action was taken or decision was rendered with respect to the Company, or any change, amendment, application or interpretation is officially proposed, which, in any such case, in the written opinion of independent legal counsel of recognized standing, will result in a material probability that the Company will become obligated to pay additional amounts with respect to such series of Notes, and the Company in its business judgment determine that such obligations cannot be avoided by the use of reasonable measures available to the Company.

If the Company exercises its option to redeem the Notes, the Company will deliver to the Trustee a certificate signed by an authorized officer stating that it is entitled to redeem the Notes and an opinion of independent tax counsel to the effect that the circumstances described in the above bullets exist.

Defeasance

The Indenture contains provisions for defeasance at any time of the entire principal of all the Securities of any series upon compliance by the Company with certain conditions set forth therein.

AMERICAS, as Trustee

Title: Vice President

KRAFT FOODS INC.

This Note is one of a duly authorized issue of debentures, notes or other evidences of indebtedness (hereinafter called the "Securities") of the Company of the series hereinafter specified, which series is limited in aggregate principal amount to \$3,000,000,000 (except as provided in the Indenture hereinafter mentioned), all such Securities issued and to be issued under an Indenture dated as of October 17, 2001 between the Company and Deutsche Bank Trust Company Americas (as successor to The Bank of New York and The Chase Manhattan Bank), as Trustee (herein called the "Indenture"), to which Indenture and all other indentures supplemental thereto reference is hereby made for a statement of the rights and limitations of rights thereunder of the Holders of the Securities and of the rights, obligations, duties and immunities of the Trustee for each series of Securities and of the Company, and the terms upon which the Securities are and are to be authenticated and delivered. As provided in the Indenture, the Securities may be issued in one or more series, which different series may be issued in various aggregate principal amounts, may mature at different times, may bear interest, if any, at different rates, may be subject to different redemption provisions, if any, may be subject to different sinking, purchase or analogous funds, if any, may be subject to different covenants and Events of Default and may otherwise vary as in the Indenture provided or permitted. This Note is one of a series of the Securities designated therein as 6.500% Notes due 2040 (the "Notes").

The Company may, without the consent of the Holders of the Notes, issue additional notes having the same ranking and the same interest rate, maturity and other terms as the Notes, except for the issue price, issue date and, in some cases, the first payment of interest or interest accruing prior to the issue date of such additional notes. Any additional notes having such similar terms, together with the Notes, shall constitute a single series of notes under the Indenture. No additional notes may be issued if an Event of Default has occurred with respect to the Notes.

Change of Control

If a Change of Control Triggering Event (as defined below) occurs, unless the Company has exercised its right to redeem the Notes, Holders may require the Company to repurchase all or any part (equal to \$2,000 or an integral multiple of \$1,000 in excess thereof) of their Notes pursuant to an offer (the "Change of Control Offer") of payment in cash equal to 101% of the aggregate principal amount of Notes repurchased plus accrued and unpaid interest, if any, on the Notes repurchased, to the date of purchase (the "Change of Control Payment"). Within 30 days following any Change of Control Triggering Event, the Company will mail a notice to Holders describing the transaction or transactions that constitute the Change of Control Triggering Event and offering to repurchase the Notes on the date specified in the notice, which date will be no earlier than 30 days and no later than 60 days from the date such notice is mailed (the "Change of Control Payment Date"), pursuant to the procedures described in such notice. The Company must comply with the requirements of Rule 14e-1 under the Securities Exchange Act of 1934 (the "Exchange Act") and any other securities laws and regulations thereunder to the extent those laws and regulations are applicable in connection with the repurchase of the Notes as a result of a Change of Control Triggering Event. To the extent that the provisions of any securities laws or regulations conflict with the Change of Control provisions of the Notes, the Company will comply with the applicable securities laws and regulations and will not be deemed to have breached its obligations under the Change of Control provisions of the Notes by virtue of such conflicts.

On the Change of Control Payment Date, the Company will, to the extent lawful:

- accept for payment all Notes or portions of Notes properly tendered pursuant to the Change of Control Offer;
- deposit with the paying agent an amount equal to the Change of Control Payment in respect of all Notes or portions of Notes properly tendered; and
- deliver or cause to be delivered to the Trustee the Notes properly accepted together with an officers' certificate stating the aggregate principal amount of Notes or portions of Notes being purchased.

The paying agent will promptly mail to each Holder of notes properly tendered the purchase price for the Notes, and the Trustee will promptly authenticate and mail (or cause to be transferred by book-entry) to each Holder a new note equal in principal amount to any unpurchased portion of any Notes surrendered; *provided* that each new note will be in a principal amount of \$2,000 or an integral multiple of \$1,000 in excess thereof.

The Company will not be required to make an offer to repurchase the Notes upon a Change of Control Triggering Event if a third party makes such an offer in the manner, at the times and otherwise in compliance with the requirements for an offer made by the Company and such third party purchases all Notes properly tendered and not withdrawn under its offer.

For purposes of the foregoing discussion of a repurchase at the option of Holders, the following definitions are applicable:

“Below Investment Grade Rating Event” means the Notes are rated below an Investment Grade Rating by each of the Rating Agencies (as defined below) on any date from the date of the public notice of an arrangement that could result in a Change of Control until the end of the 60-day period following public notice of the occurrence of the Change of Control (which 60-day period shall be extended so long as the rating of the Notes is under publicly announced consideration for possible downgrade by any of the Rating Agencies); *provided* that a below investment grade rating event otherwise arising by virtue of a particular reduction in rating shall not be deemed to have occurred in respect to a particular Change of Control (and thus shall not be deemed a below investment grade rating event for purposes of the definition of Change of Control Triggering Event hereunder) if the rating agencies making the reduction in rating to which this definition would otherwise apply do not announce or publicly confirm or inform the Trustee in writing at its request that the reduction was the result, in whole or in part, of any event or circumstance comprised of or arising as a result of, or in respect of, the applicable Change of Control (whether or not the applicable Change of Control shall have occurred at the time of the below investment grade rating event).

“Change of Control” means the occurrence of any of the following: (1) the direct or indirect sale, transfer, conveyance or other disposition (other than by way of merger or consolidation), in one or a series of related transactions, of all or substantially all of the properties or assets of the Company and its subsidiaries taken as a whole to any Person or group of related persons for purposes of Section 13(d) of the Exchange Act (a “Group”) other than the Company or one of its subsidiaries; (2) the approval by the holders of the Company’s common stock of any plan or proposal for the liquidation or dissolution of the Company (whether or not otherwise in compliance with the provisions of the indenture); (3) the consummation of any transaction (including, without limitation, any merger or consolidation) the result of which is that any Person or Group becomes the beneficial owner, directly or indirectly, of more than 50% of the then outstanding number of shares of the Company’s voting stock; or (4) the first day on which a majority of the members of the Company’s Board of Directors are not Continuing Directors.

“Change of Control Triggering Event” means the occurrence of both a Change of Control and a Below Investment Grade Rating Event.

“Continuing Directors” means, as of any date of determination, any member of the Board of Directors of the Company who (1) was a member of such Board of Directors on the date of the issuance of the Notes; or (2) was nominated for election or elected to such Board of Directors with the approval of a majority of the Continuing Directors who were members of such Board of Directors at the time of such nomination or election (either by a specific vote or by approval of the Company’s proxy statement in which such member was named as a nominee for election as a director, without objection to such nomination).

“Fitch” means Fitch Inc.

“Investment Grade Rating” means a rating equal to or higher than BBB- (or the equivalent) by Fitch, Baa3 (or the equivalent) by Moody’s and BBB- (or the equivalent) by S&P, respectively.

“Moody’s” means Moody’s Investors Service, Inc.

“Person” has the meaning set forth in the indenture and includes a “person” as used in Section 13(d)(3) of the Exchange Act.

“Rating Agencies” means (1) each of Fitch, Moody’s and S&P; and (2) if any of Fitch, Moody’s or S&P ceases to rate the Notes or fails to make a rating of the Notes publicly available for reasons outside of the Company’s control, a “nationally recognized statistical rating organization” within the meaning of Rule 15c3-1(c)(2)(vi)(F) under the Exchange Act, selected by the Company (as certified by a resolution of the Company’s Board of Directors) as a replacement agency for Fitch, Moody’s or S&P, or all of them, as the case may be.

“S&P” means Standard & Poor’s Ratings Services, a division of The McGraw-Hill Companies, Inc.

Payment of Additional Amounts

Section 1010 of the Indenture shall be applicable to the Notes, except that the term “Holder,” when used in Section 1010 of the Indenture, shall mean the beneficial owner of a Note or any person holding on behalf or for the account of the beneficial owner of a Note.

Optional Redemption

The Company may redeem the Notes prior to maturity in whole, but not in part, on not more than 60 days’ notice and not less than 30 days’ notice at a redemption price equal to the principal amount of such Notes plus any accrued interest and additional amounts to the date fixed for redemption if:

- as a result of a change in or amendment to the tax laws, regulations or rulings of the United States or any political subdivision or taxing authority of or in the United States or any change in official position regarding the application or interpretation of such laws, regulations or rulings (including a holding by a court of competent jurisdiction in the United States) that is announced or becomes effective on or after February 8, 2010, the Company has or will become obligated to pay additional amounts with respect to such series of Notes as described in Section 1010 of the Indenture, or
- on or after February 8, 2010, any action is taken by a taxing authority of, or any decision has been rendered by a court of competent jurisdiction in, the United States or any political subdivision of or in the United States, including any of those actions specified above, whether or not such action was taken or decision was rendered with respect to the Company, or any change, amendment, application or interpretation is officially proposed, which, in any such case, in the written opinion of independent legal counsel of recognized standing, will result in a material probability that the Company will become obligated to pay additional amounts with respect to such series of Notes, and the Company in its business judgment determine that such obligations cannot be avoided by the use of reasonable measures available to the Company.

If the Company exercises its option to redeem the Notes, the Company will deliver to the Trustee a certificate signed by an authorized officer stating that it is entitled to redeem the Notes and an opinion of independent tax counsel to the effect that the circumstances described in the above bullets exist.

Defeasance

The Indenture contains provisions for defeasance at any time of the entire principal of all the Securities of any series upon compliance by the Company with certain conditions set forth therein.

Certain of the Company’s obligations under the Indenture with respect to Notes, may be terminated if the Company irrevocably deposits with the Trustee money or Government Obligations sufficient to pay and discharge the entire indebtedness on a the Indenture.

Events of Default

If an Event of Default (other than an Event of Default described in Section 501(4) or 501(5) of the Indenture) with respect to the Notes shall occur and be continuing, then either the Trustee or the Holders of not less than 25% in principal amount of the Notes of this series then Outstanding may declare the entire principal amount of the Notes of this series due and payable in the manner and with effect provided in the Indenture. If an Event of Default specified in Section 501(4) or 501(5) occurs with respect to the Company, all of the unpaid principal amount and accrued interest then outstanding shall ipso facto become and be immediately due and payable in the manner and with the effect provided in the Indenture without any declaration or other act by the Trustee or any Holder.

Amendments

The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the Company and the rights of the Holders of the Securities under the Indenture at any time by the Company with the consent of the Holders of more than 50% in aggregate principal amount of the Securities at the time Outstanding of each series issued under the Indenture to be affected thereby. The Indenture also contains provisions permitting the Holders of specified percentages in aggregate principal amount of the Securities of that series at the time Outstanding, on behalf of the Holders of all the Securities of such series, to waive compliance by the Company with certain provisions of the Indenture and certain past defaults under the Indenture and their consequences with respect to such series. Any such consent or waiver by the Holder of this Note shall be conclusive and binding upon such Holder and upon all future Holders of this Note and of any Note issued upon the transfer hereof or in exchange or in lieu hereof whether or not notation of such consent or waiver is made upon this Note.

Payment

No reference herein to the Indenture and no provision of this Note or of the Indenture shall alter or impair the obligation of the Company, which is absolute and unconditional, to pay the principal of and interest on this Note at the times, place and rate, and in the coin or currency, herein and in the Indenture prescribed.

Transfer, Registration and Exchange

As provided in the Indenture and subject to certain limitations therein set forth, this Note is transferable on the Security Register of the Company, upon surrender of this Note for registration of transfer at the office or agency of the Company to be maintained for that purpose in the Borough of Manhattan, The City of New York, or at any other office or agency of the Company maintained for that purpose, duly endorsed by, or accompanied by a written instrument of transfer in form satisfactory to the Company and the Security Registrar duly executed by the Holder hereof or his attorney duly authorized in writing, and thereupon due or one or more new notes, of authorized denominations and for the same aggregate principal amount, will be issued to the designated transferee or transferees.

The Securities will be issued pursuant to the Indenture, dated as of November 5, 2009 (the "Indenture"), among the Company and Deutsche Bank Trust Company Americas, as successor trustee.

We have examined the originals, or photostatic or certified copies, of such records of the Company and certificates of officers of the Company and of public officials and such other documents as we have deemed relevant and necessary as the basis for the opinions set forth below. In our examination, we have assumed the genuineness of all signatures, the legal capacity and competency of all natural persons, the authenticity of all documents submitted to us as originals and the conformity to original documents of all documents submitted to us as copies. We have further assumed without independent investigation that the Company has all requisite power and authority to execute, deliver and perform its obligations under, and has duly executed and delivered, each of the Indenture and the Securities; that the execution and delivery of the Indenture and the Securities by the Company and performance of its obligations thereunder do not violate any law, regulation, order, judgment or decree applicable to the Company; and that the Indenture has been duly authorized, executed and delivered by the Company and the Securities have been duly authorized by the Company.

Based upon the foregoing examination and in reliance thereon, and subject to the assumptions stated and in reliance on statements of fact contained in the documents that we have examined, we are of the opinion that the Securities constitute legal, valid and binding obligations of the Company.

The opinions set forth herein are subject to the following assumptions, qualifications, limitations and exceptions:

- A. We render no opinion herein as to matters involving the laws of any jurisdiction other than the State of New York. These opinions are limited to the current laws of the States of New York and the United States of America. We assume no obligation to revise or supplement our opinion should the present laws, or the interpretation thereof, be changed in respect of any circumstances or events that occur subsequent to the date hereof.
- B. Our opinions are subject to (i) the effect of any bankruptcy, insolvency, reorganization, moratorium, arrangement or similar laws affecting the rights and remedies of creditors generally (including the effect of statutory or other laws regarding fraudulent transfers or preferential transfers) and (ii) general principles of equity, including concepts of materiality, reasonableness, good faith and fair dealing and the possible unavailability of specific performance, injunctive relief or other equitable remedies, regardless of whether enforceability is considered in a proceeding in equity or at law.
- C. We express no opinion regarding the effectiveness of (i) any waiver of stay, extension or usury laws or of unknown future rights, (ii) provisions relating to indemnification or contribution, to the extent such provisions may be contrary to public policy or federal or state securities laws, or (iv) any purported fraudulent transfer "savings" clause.

We consent to the filing of this opinion as an exhibit to the Registration Statement, and we further consent to the use of our name under the caption "Validity of the Notes" in the Registration Statement and the prospectus that forms a part thereof. In giving these consents, we do not thereby admit that we are within the category of persons whose consent is required under Section 7 of the Securities Act or the Rules and Regulations of the Commission.
