**Item 1.01. Entry into a Material Definitive Agreement.**

The information described below under “Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant” is hereby incorporated by reference into this Item 1.01.

**Item 2.03. Creation of a Direct Financial Obligation or an Obligation under an Off-Balance Sheet Arrangement of a Registrant.**

On November 9, 2009, Kraft Foods Inc. entered into an acquisition and refinancing bridge credit agreement (the “Agreement”) for a 364-day senior unsecured term loan facility with the lenders named therein and Citigroup Global Markets Inc., Deutsche Bank Securities Inc. and HSBC Securities (USA) Inc., as joint bookrunners, and Citibank, N.A. and Deutsche Bank AG Cayman Islands Branch, as co-administrative agents. The Agreement provides for borrowings by us and certain of our subsidiaries that we may designate in an aggregate principal amount of up to £5.5 billion. Under the Agreement, we guarantee the obligations of any subsidiary borrower. Borrowings under the facility will bear interest at a variable annual rate based on (i) LIBOR for borrowings in pounds sterling, (ii) LIBOR or base rate, at our election, for borrowings in U.S. dollars and (iii) EURIBOR for borrowings in euros, plus in each case an applicable margin based on the credit rating at that time for our long-term senior unsecured indebtedness. The Agreement has a maturity date of 364 days following the initial borrowing thereunder.

The Agreement requires us to maintain a minimum total shareholders’ equity (excluding accumulated other comprehensive income or losses) of not less than \$23 billion, which minimum level would be increased, if the proposed acquisition of Cadbury plc is consummated, by 75% of any increase in such total shareholders’ equity as a direct result of our issuance of equity securities to finance the proposed acquisition of Cadbury plc or to refinance certain indebtedness. In addition, in the event that our long-term senior unsecured indebtedness is rated below investment grade, the Agreement requires us to maintain a leverage ratio of not more than 4.25 to 1.00. The Agreement also contains customary representations, covenants and events of default and requires the prepayment of advances and/or the permanent reduction of commitments under the facility with the net cash proceeds received from certain disposals, debt issuances and equity capital markets transactions.

We expect to use borrowings under the Agreement, or, if available, proceeds from alternative financing sources, to finance the proposed acquisition of Cadbury plc and to refinance certain indebtedness of Cadbury plc and its subsidiaries. Borrowings under the Agreement are also available for general corporate purposes of Kraft Foods and our subsidiaries. Some of the lenders under the Agreement and their affiliates have various relationships with us and our subsidiaries involving the provision of financial services, including cash management, investment banking and trust services. In addition, we and certain of our subsidiaries have entered into foreign exchange and other derivative arrangements with certain of the lenders and their affiliates.

The foregoing description of the Agreement is qualified in its entirety by reference to the complete terms and conditions of the Agreement, which will be filed with our Annual Report on Form 10-K for the year ended December 31, 2009.

These forward-looking statements involve risks and uncertainties, many of which are beyond our control, that could cause our actual results to differ materially from those indicated in any such forward-looking statements.
