2. (FN 1, contd.) In these transactions, simultaneously with the purchase of each call option, the Trian Option Holders also sold a put option to the counterparty for the same number of shares pursuant to which, if on the expiration date of the options the exercise price per share of the call option were greater than the closing price of the shares on the expiration date (the "Closing Price"), then the counterparty would be entitled to cause the Trian Option Holders, at their election, to either (i) pay the counterparty an amount in cash equal to the product of (a) the excess of the exercise price per share pursuant to such option (the "Exercise Price") over the Closing Price and (b) the number of shares set forth above or (ii) acquire from the counterparty the number of shares set forth above at the Exercise Price. On December 30, 2014, all of the call options acquired by the Trian Option Holders were exercised at the exercise prices noted in Table I.

The Reporting Persons disclaim beneficial ownership of such shares except to the extent of their respective pecuniary interests therein and this report shall not be deemed an admission that the Reporting Persons are the beneficial owner of such securities for purposes of Section 16 or for any other purpose.
