

FORWARD-LOOKING STATEMENTS

This presentation contains a number of forward-looking statements. Words, and variations of words, such as “will,” “expect,” “may,” “believe,” “likely,” “should,” “plan,” “deliver,” “position,” “prospect,” “potential,” “opportunity,” “target,” “commitment,” “outlook” and similar expressions are intended to identify our forward-looking statements, including, but not limited to, statements about: our future financial performance; our strategy and confidence in our business; our competitive advantages; snacks category growth; our investments and their future potential; innovation; volume growth; macroeconomic conditions and uncertainties; inflation; the U.K.'s planned exit from the European Union and its impact on our business; the performance of our business in markets including North America, Latin America and China; cost improvement and productivity opportunities; capital expenditures; strategic transactions; shareholder value; and our long-term financial targets. These forward-looking statements are subject to a number of risks and uncertainties, many of which are beyond our control, which could cause our actual results to differ materially from those indicated in our forward-looking statements. Such factors include, but are not limited to, risks from operating globally including in emerging markets; changes in currency exchange rates, controls and restrictions; continued volatility of commodity and other input costs; weakness in economic conditions; weakness in consumer spending; pricing actions; tax matters including changes in tax rates and laws, disagreements with taxing authorities and imposition of new taxes; use of information technology and third party service providers; unanticipated disruptions to our business, such as the malware incident, cyberattacks or other security breaches; competition; protection of our reputation and brand image; our ability to innovate and differentiate our products; legal, regulatory, tax or benefit law changes, claims or actions; the restructuring program and our other transformation initiatives not yielding the anticipated benefits; and changes in the assumptions on which the restructuring program is based. Please also see our risk factors, as they may be amended from time to time, set forth in our filings with the SEC, including our most recently filed Annual Report on Form 10-K. Mondelez International disclaims and does not undertake any obligation to update or revise any forward-looking statement in this presentation, except as required by applicable law or regulation.

NON-GAAP FINANCIAL MEASURES

All results discussed within this presentation are non-GAAP unless otherwise noted. Please see GAAP to non-GAAP reconciliations and the definitions of these measures in our earnings releases for Q4 2018 and Q2 2019 and our investor presentation in February 2019 located at www.mondelezinternational.com/investors.
