RATIO OF EARNINGS TO FIXED CHARGES

The following table sets forth our historical ratios of earnings to fixed charges for the periods indicated. This information should be read in conjunction with the consolidated financial statements and the accompanying notes incorporated by reference in this prospectus.

	Years Ended December 31,				
	2016	2015	2014	2013	2012
Ratios of earnings to fixed charges	3.1	10.6	3.6	3.1	1.7

Earnings available for fixed charges represent earnings from continuing operations before income taxes, distributed income from equity investees and fixed charges excluding capitalized interest, net of amortization. Fixed charges represent interest expense, including amortization of debt discount and debt issue expenses, capitalized interest and the portion of rental expense deemed to be the equivalent of interest. Interest expense excludes interest related to uncertain tax positions which has been included in the provision for income taxes.

We had no preferred stock outstanding for any period presented and accordingly, the ratio of earnings to combined fixed charges and first preferred stock dividends is the same as the ratio of earnings to fixed charges.

DESCRIPTION OF DEBT SECURITIES

The debt securities covered by this prospectus will be our direct unsecured obligations. The debt securities will be issued in one or more series under an indenture between us and Deutsche Bank Trust Company Americas, as trustee.

This prospectus briefly describes the material indenture provisions. Those descriptions are qualified in all respects by reference to the actual text of the indenture. For your reference, in the summary that follows, we have included references to section numbers of the indenture so that you can more easily locate these provisions.

The material financial, legal and other terms particular to debt securities of each series will be described in the prospectus supplement relating to the debt securities of that series. The prospectus supplement relating to the debt securities of the series will be attached to the front of this prospectus. The prospectus supplement will also state whether any of the terms summarized below do not apply to the series of debt securities being offered. You should read the more detailed provisions of the indenture, including the defined terms, for provisions that may be important to you. You should also read the particular terms of a series of debt securities, which will be described in more detail in the applicable prospectus supplement.

Prospective purchasers of debt securities should be aware that special United States federal income tax, accounting and other considerations not addressed in this prospectus may be applicable to instruments such as the debt securities. The prospectus supplement relating to an issue of debt securities will describe these considerations, if they apply.

Capitalized terms used below are defined under “Defined Terms.”

General

The debt securities will rank equally with all of our other unsecured debt. The indenture does not limit the amount of debt we may issue and provides that additional debt securities may be issued up to the aggregate principal amount authorized by a board resolution. We may issue the debt securities from time to time in one or more series with the same or various maturities, at par, at a discount or at a premium. The prospectus supplement relating to any debt securities being offered will include specific terms relating to the offering, including the particular amount, price and other terms of those debt securities. These terms will include some or all of the following:

- the title of the debt securities;
- any limit upon the aggregate principal amount of the debt securities;
- the date or dates on which the principal of the debt securities will be payable or their manner of determination;
- if the securities will bear interest:

 - the interest payment dates for the debt securities; and

(Section 301)

[Table of Contents](#)

We may issue debt securities as original issue discount, or OID, debt securities. OID debt securities bear no interest or bear interest at below-market rates and are sold at a discount below their stated principal amount. If we issue OID debt securities, the prospectus supplement will contain the issue price of the securities and the rate at which and the date from which discount will accrete.

We may also issue indexed debt securities. Payments of principal of, and any premium and interest on, indexed debt securities are determined with reference to the rate of exchange between the currency or currency unit in which the debt security is denominated and any other currency or currency unit specified by us, to the relationship between two or more currencies or currency units, to the price of one or more specified securities or commodities, to one or more securities or commodities exchange indices or other indices or by other similar methods or formulas, all as specified in the prospectus supplement.

Consolidation, Merger or Sale

We have agreed not to consolidate with or merge into any other corporation or convey or transfer our properties and assets substantially as an entirety to any person, unless:

- any successor is a corporation organized under the laws of the United States, any state of the United States or the District of Columbia;
- the successor corporation expressly assumes by a supplemental indenture the due and punctual payment of the principal of, and any premium and interest on, all the debt securities and the performance of every covenant in the indenture that we would otherwise have to perform or observe;
- immediately after the effective date of the transaction, no event of default has occurred and is continuing under the indenture; and
- we deliver to the trustee an officers' certificate and an opinion of counsel, each stating that the consolidation, merger, conveyance or transfer and the supplemental indenture comply with these provisions.

The successor corporation will assume all our obligations under the indenture as if it were an original party to the indenture. After assuming such obligations, the successor corporation will have all our rights and powers under the indenture.

(Section 801)

Waivers Under the Indenture

Under the indenture, the holders of a majority in aggregate principal amount of the outstanding debt securities of any series, may on behalf of all holders of that series:

- waive our compliance with certain covenants of the indenture; and

(Section 1009)

- waive any past default under the indenture, except:
 - a default in the payment of the principal of, or any premium or interest on, any debt securities of the series; and
 - a default under any provision of the indenture which itself cannot be modified without the consent of the holders of each affected debt security of the series.

(Section 513)

Events of Default

When we use the term “Event of Default” in the indenture with respect to a particular series of debt securities, we mean any of the following:

- we fail to pay interest on any debt security of that series for 30 days after payment was due;
- we fail to make payment of the principal of, or any premium on, any debt security of that series when due;
- we fail to make any sinking fund payment when due with respect to debt securities of that series;
- we fail to perform any other covenant or warranty in the indenture and this failure continues for 90 days after we receive written notice of it from the trustee or holders of 25% in principal amount of the outstanding debt securities of that series (with a copy to the trustee);
- we or a court take certain actions relating to bankruptcy, insolvency or reorganization of our company; or
- any other event of default that may be specified for the debt securities of the series or in the board resolution with respect to the debt securities of that series.

(Section 501)

The supplemental indenture or the form of security for a particular series of debt securities may include additional Events of Default or changes to the Events of Default described above. The Events of Default applicable to a particular series of debt securities will be discussed in the prospectus supplement relating to such series.

A default with respect to a single series of debt securities under the indenture will not necessarily constitute a default with respect to any other series of debt securities issued under the indenture. A default under our other indebtedness will not be a default under the indenture. The trustee may withhold notice to the holders of debt securities of any default and shall be fully protected in so withholding, except for defaults that involve our failure to pay principal or interest, if it determines in good faith that the withholding of notice is in the interest of the holders.(Section 602)

If an Event of Default for any series of debt securities occurs and continues (other than an Event of Default involving our bankruptcy, insolvency or reorganization), either the trustee or the holders of at least 25% in aggregate principal amount of the outstanding debt securities of the affected series may require us upon notice in writing to us, to immediately repay the entire principal (or, in the case of (a) OID debt securities, a lesser amount as provided in those OID debt securities or (b) indexed debt securities, an amount determined by the terms of those indexed debt securities), of all the debt securities of such series together with accrued interest on the debt securities.

If an Event of Default occurs which involves our bankruptcy, insolvency or reorganization, then all unpaid principal amounts (or, if the debt securities are (a) OID debt securities, then the portion of the principal amount that is specified in those OID debt securities or (b) indexed debt securities, then the portion of the principal amount that is determined by the terms of those indexed debt securities) and accrued interest on all debt securities of each series will immediately become due and payable, without any action by the trustee or any holder of debt securities. (Section 502)

Subject to certain conditions, the holders of a majority in principal amount of the outstanding debt securities of a series may rescind a declaration of acceleration if all Events of Default, besides the failure to pay principal or interest due solely because of the declaration of acceleration, have been cured or waived. (Section 502)

[Table of Contents](#)

Other than its duties in case of a default, the trustee is not obligated to exercise any of its rights or powers under the indenture at the request, order or direction of any holders, unless the holders offer the trustee indemnity or security reasonably satisfactory to it. The holders of a majority in principal amount outstanding of any series of debt securities may, subject to certain limitations, direct the time, method and place of conducting any proceeding for any remedy available to the trustee, or exercising any power conferred upon the trustee, for any series of debt securities.

The indenture requires us to file each year with the trustee, an officer's certificate that states that:

- the signing officer has supervised a review of the activities and performance under the indenture; and
- to the best of his or her knowledge, based on the review, we comply with all conditions and covenants of the indenture.

The indenture requires us to file with the trustee, an officer's certificate within 30 days of any officer becoming aware of any default specifying such default or Event of Default and what action we are taking or propose to take with respect thereto.

(Section 1005)

A judgment for money damages by courts in the United States, including a money judgment based on an obligation expressed in a foreign currency, will ordinarily be rendered only in U.S. dollars. New York statutory law provides that a court shall render a judgment or decree in the foreign currency of the underlying obligation and that the judgment or decree shall be converted into U.S. dollars at the exchange rate prevailing on the date of entry of the judgment or decree. If a court requires a conversion to be made on a date other than a judgment date, the indenture requires us to pay additional amounts necessary to ensure that the amount paid in U.S. dollars to a holder is equal to the amount due in such foreign currency. (Section 516)

Payment

We will pay the principal of, and any premium and interest on, fully registered securities at the place or places that we will designate for such purposes. We will make payment to the persons in whose names the debt securities are registered on the close of business on the day or days that we will specify in accordance with the indenture. We will pay the principal of, and any premium on, registered debt securities only against surrender of those debt securities. Any other payments, including payment on any securities issued in bearer form, will be made as set forth in the applicable prospectus supplement.

(Section 307)

Restrictive Covenants

The indenture includes the following restrictive covenants:

Limitations on Liens

The indenture limits the amount of liens that we or our Subsidiaries may incur or otherwise create in order to secure indebtedness for borrowed money, upon any Principal Facility or any shares of capital stock that any of our Subsidiaries owning any Principal Facility has issued to us or any of our Subsidiaries. If we or any of our Subsidiaries incur such liens, then we will secure the debt securities to the same extent and in the same proportion as the debt that is secured by such liens. This covenant does not apply, however, to any of the following:

- in the case of a Principal Facility, liens incurred in connection with the issuance by a state or its political subdivision of any securities the interest on which is exempt from United States federal income taxes by virtue of Section 103 of the Internal Revenue Code or any other laws and regulations in effect at the time of such issuance;

Table of Contents

- liens existing on the date of the indenture;
- liens on property or shares of capital stock existing at the time we or any of our Subsidiaries acquire such property or shares of capital stock, including through a merger, share exchange or consolidation, or securing the payment of all or part of the purchase price, construction or improvement of such property incurred prior to, during, or within 180 days after the later of the acquisition, completion of construction or improvement or commencement of full operation of such property or within 180 days after the acquisition of such shares for the purpose of financing all or a portion of such purchase of the property or construction or improvement on it; or
- liens for the sole purpose of extending, renewing or replacing all or a part of the indebtedness secured by any lien referred to in the previous bullet points or in this bullet point if the extension, removal and replacement is limited to all or a part of the property secured by the original lien.

Notwithstanding the foregoing, we and/or any of our Subsidiaries may incur liens that would otherwise be subject to the restriction described above, without securing debt securities issued under the indenture equally and ratably, if the aggregate value of all outstanding indebtedness secured by the liens and the value of Sale and Leaseback Transactions does not at the time exceed the greater of:

- 10% of our Consolidated Net Tangible Assets; or
- 10% of our Consolidated Capitalization.

(Section 1007)

Sale and Leaseback Transactions

A Sale and Leaseback Transaction of any Principal Facility is prohibited, unless within 180 days of the effective date of the arrangement, an amount equal to the greater of the proceeds of the sale or the fair value of the property (“value”) is applied to the retirement of long-term non-subordinated indebtedness for money borrowed with more than one year stated maturity, including our debt securities, except that such sales and leasebacks are permitted to the extent that the “value” thereof plus the other secured debt referred to in the previous paragraph does not exceed the amount stated in the previous paragraph. (Section 1008)

There are no other restrictive covenants in the indenture. The indenture does not require us to maintain any financial ratios, minimum levels of net worth or liquidity or restrict the payment of dividends, the making of other distributions on our capital stock or the redemption or purchase of our capital stock. Moreover, the indenture does not contain any provision requiring us to repurchase or redeem any debt securities or debt warrants or modify the terms thereof or afford the holders thereof any other protection in the event of our change of control, any highly leveraged transaction or any other event involving us that may materially adversely affect our creditworthiness or the value of the debt securities or debt warrants.

Defined Terms

We define “Subsidiaries” as any corporation of which at least a majority of all outstanding stock having ordinary voting power in the election of directors of such corporation is at the time, directly or indirectly, owned by us or by one or more Subsidiaries or by us and one or more Subsidiaries. (Section 101)

We define “Principal Facility” as all real property owned and operated by us or any Subsidiary located within the United States and constituting part of any manufacturing plant or distribution facility, including all attached plumbing, electrical, ventilating, heating, cooling, lighting and other utility systems, ducts and pipes but excluding trade fixtures (unless their removal would cause substantial damage to the manufacturing plant or distribution facility), business machinery, equipment, motorized vehicles, tools, supplies and materials, security systems, cameras, inventory and other personal property and materials. However, no manufacturing plant or distribution facility will be a Principal Facility unless its net book value exceeds 0.25% of Consolidated Capitalization. (Section 1007)

[Table of Contents](#)

We define a “Sale and Leaseback Transaction” as the sale or transfer of a Principal Facility with the intention of taking back a lease of the property, except a lease for a temporary period of less than 3 years, including renewals, with the intent that the use by us or any Subsidiary will be discontinued on or before the expiration of such period. (Section 1008)

We define “Consolidated Net Tangible Assets” as the excess of all assets over current liabilities appearing on our most recent quarterly or annual consolidated balance sheet, less goodwill and other intangible assets and the minority interests of others in Subsidiaries. (Section 101)

We define “Consolidated Capitalization” as the total of all of the assets appearing on our most recent quarterly or annual consolidated balance sheet, less:

- current liabilities, including liabilities for indebtedness maturing more than 12 months from the date of the original creation thereof, but maturing within 12 months from the date of our most recent quarterly or annual consolidated balance sheet; and
- deferred income tax liabilities reflected in such consolidated balance sheet.

(Section 101)

Global Securities

We may issue the securities in whole or in part in the form of one or more global securities that will be deposited with, or on behalf of, a depository identified in the applicable prospectus supplement.

We may issue the global securities in either registered or bearer form and in either temporary or permanent form. We will describe the specific terms of the depository arrangement with respect to a series of securities in the applicable prospectus supplement. We anticipate that the following provisions will apply to all depository arrangements.

Once a global security is issued, the depository will credit on its book-entry system the respective principal amounts of the individual securities represented by that global security to the accounts of institutions that have accounts with the depository. These institutions are known as participants.

The underwriters for the securities will designate the accounts to be credited. However, if we have offered or sold the securities either directly or through agents, we or the agents will designate the appropriate accounts to be credited.

Ownership of beneficial interests in a global security will be limited to participants or persons that may hold beneficial interests through participants. Ownership of beneficial interests in a global security will be shown on, and the transfer of that ownership will be effected only through, records maintained by the depository’s participants or persons that may hold through participants. The laws of some states require that certain purchasers of securities take physical delivery of securities. Those laws may limit the market for beneficial interests in a global security.

So long as the depository for a global security, or its nominee, is the registered owner of a global security, the depository or nominee will be considered the sole owner or holder of the securities represented by the global security for all purposes under the indenture. Except as provided in the applicable prospectus supplement, owners of beneficial interests in a global security:

- will not be entitled to have securities represented by global securities registered in their names;
- will not receive or be entitled to receive physical delivery of securities in definitive form; and
- will not be considered owners or holders of these securities under the indenture.

[Table of Contents](#)

Payments of principal of, and any premium and interest on, the individual securities registered in the name of the depository or its nominee will be made to the depository or its nominee as the registered owner of that global security.

Neither we nor the trustee will have any responsibility or liability for any aspect of the records relating to, or payments made on account of, beneficial ownership interests of a global security, or for maintaining, supervising or reviewing any records relating to beneficial ownership interests and each of us and the trustee may act or refrain from acting without liability on any information provided by the depository.

We expect that the depository, after receiving any payment of principal of, and any premium and interest on, a global security, will immediately credit the accounts of the participants with payments in amounts proportionate to their respective holdings in principal amount of beneficial interest in a global security as shown on the records of the depository. We also expect that payments by participants to owners of beneficial interests in a global security will be governed by standing customer instructions and customary practices, as is now the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such participants.

Debt securities represented by a global security will be exchangeable for debt securities in definitive form of like tenor in authorized denominations only if:

- the depository notifies us that it is unwilling or unable to continue as the depository and a successor depository is not appointed by us within 90 days;
- we deliver to the trustee for securities of such series in registered form a company order stating that the securities of such series shall be exchangeable; or
- an Event of Default has occurred and is continuing with respect to securities of such series.

Unless and until a global security is exchanged in whole or in part for debt securities in definitive certificated form, it may not be transferred or exchanged except as a whole by the depository.

Registration of Transfer

You may transfer or exchange certificated securities at any office that we maintain for this purpose in accordance with the terms of the indenture. We will not charge a service fee for any transfer or exchange of certificated securities, but we may require payment of a sum sufficient to cover any tax or other governmental charge that we are required to pay in connection with a transfer or exchange. (Section 305)

You may effect the transfer of certificated securities and the right to receive the principal of, and any premium and interest on, certificated securities only by surrendering the certificate representing those certificated securities and either reissuance by us or the trustee of the certificate to the new holder or the issuance by us or the trustee of a new certificate to the new holder.

We are not required to:

- issue, register, transfer or exchange securities of any series during a period beginning at the opening of business 15 days before the day we transmit a notice of redemption of the securities of the series selected for redemption and ending at the close of business on the day of the transmission;
- register, transfer or exchange any security so selected for redemption in whole or in part, except the unredeemed portion of any security being redeemed in part; or
- exchange any bearer securities selected for redemption except if a bearer security is exchanged for a registered security of the same tenor that is simultaneously surrendered for redemption.

(Section 305)

Exchange

At your option, you may exchange your registered debt securities of any series, except a global security, for an equal principal amount of other registered debt securities of the same series having authorized denominations upon surrender to our designated agent.

We may at any time exchange debt securities issued as one or more global securities for an equal principal amount of debt securities of the same series in definitive registered form. In this case, we will deliver to the holders new debt securities in definitive registered form in the same aggregate principal amount as the global securities being exchanged.

The depository of the global securities may also decide at any time to surrender one or more global securities in exchange for debt securities of the same series in definitive registered form, in which case we will deliver the new debt securities in definitive form to the persons specified by the depository, in an aggregate principal amount equal to, and in exchange for, each person's beneficial interest in the global securities.

Notwithstanding the above, we will not be required to exchange any debt securities if, as a result of the exchange, we would suffer adverse consequences under any United States law or regulation. (Section 305)

Defeasance

Unless otherwise specified in the prospectus supplement, we can terminate all of our obligations under the indenture with respect to the debt securities, other than the obligation to pay the principal of, and any premium and interest on, the debt securities and certain other obligations, at any time by:

- depositing money or United States government obligations with the trustee in an amount sufficient to pay the principal of, and any premium and interest on, the debt securities to their maturity; and
- complying with certain other conditions, including delivery to the trustee of an opinion of counsel to the effect that holders of debt securities will not recognize income, gain or loss for United States federal income tax purposes as a result of our defeasance.

In addition, unless otherwise specified in the prospectus supplement, we can terminate all of our obligations, with minor exceptions, under the indenture with respect to the debt securities, including the obligation to pay the principal of, and any premium and interest on, the debt securities, at any time by:

- depositing money or United States government obligations with the trustee in an amount sufficient to pay the principal of, and the interest and any premium on, the debt securities to their maturity; and
- complying with certain other conditions, including delivery to the trustee of an opinion of counsel stating that there has been a ruling by the Internal Revenue Service, or a change in the United States federal tax law since the date of the indenture, to the effect that holders of debt securities will not recognize income, gain or loss for United States federal income tax purposes as a result of our defeasance.

(Sections 402-404)

Payments of Unclaimed Moneys

Moneys deposited with the trustee or any paying agent for the payment of principal of, or any premium and interest on, any debt securities that remain unclaimed for two years will be repaid to us at our written request, unless the law requires otherwise. If this happens and you want to claim these moneys, you must look to us and not to the trustee or paying agent. (Section 409)

Supplemental Indentures Not Requiring Consent of Holders

Without the consent of any holders of debt securities, we and the trustee may supplement the indenture, among other things, to:

- pledge property to the trustee as security for the debt securities;
- reflect that another entity has succeeded us and assumed the covenants and obligations of us under the debt securities and the indenture;
- cure any ambiguity or inconsistency in the indenture or in the debt securities or make any other provisions with respect to matters or questions arising under the indenture, as long as the interests of the holders of the debt securities are not adversely affected in any material respect;
- issue and establish the form and terms of any series of debt securities as provided in the indenture;
- add to our covenants further covenants for the benefit of the holders of debt securities, and if the covenants are for the benefit of less than all series of debt securities, stating which series are entitled to benefit;
- add any additional event of default and if the new event of default applies to fewer than all series of debt securities, stating to which series it applies;
- change the trustee or provide for an additional trustee;
- provide additional provisions for bearer debt securities so long as the action does not adversely affect the interests of holders of any debt securities in any material respect;
- add guarantees with respect to the securities of such series or confirm and evidence the release, termination or discharge of any such guarantee when such release is permitted by the indenture; or
- modify the indenture as may be necessary or desirable in accordance with amendments to the Trustee Indenture Act of 1939.

(Section 901)

Supplemental Indentures Requiring Consent of Holders

With the consent of the holders of a majority in principal amount of each series of the debt securities that would be affected by a modification of the indenture, the indenture permits us and the trustee to supplement the indenture or modify in any way the terms of the indenture or the rights of the holders of the debt securities of such series. However, without the consent of each holder of all of the debt securities affected by that modification, we and the trustee may not:

- modify the maturity date of, or reduce the principal of, or premium on, or change the stated final maturity of, any debt security;
- reduce the rate of or change the time for payment of interest on any debt security or, in the case of OID debt securities, reduce the rate of accretion of the OID;
- change any of our obligations to pay additional amounts under the indenture;
- reduce or alter the method of computation of any amount payable upon redemption, repayment or purchase of any debt security by us, or the time when the redemption, repayment or purchase may be made;
- make the principal or interest on any debt security payable in a currency other than that stated in the debt security or change the place of payment;
- reduce the amount of principal due on an OID debt security upon acceleration of maturity or provable in bankruptcy or reduce the amount payable under the terms of an indexed debt security upon acceleration of maturity or provable in bankruptcy;

[Table of Contents](#)

- impair any right of repayment or purchase at the option of any holder of debt securities;
- reduce the right of any holder of debt securities to receive or sue for payment of the principal or interest on a debt security that would be due and payable at the maturity thereof or upon redemption or adversely affect any applicable right to convert or exchange any debt securities into other securities; or
- reduce the percentage in principal amount of the outstanding debt securities of any series required to supplement the indenture or to waive any of its provisions.

(Section 902)

A supplemental indenture that modifies or eliminates a provision intended to benefit the holders of one series of debt securities will not affect the rights under the indenture of holders of other series of debt securities.

Redemption

The specific terms of any redemption of a series of debt securities will be contained in the prospectus supplement for that series. Generally, we must send notice of redemption to the holders at least 30 days but not more than 60 days prior to the redemption date. The notice will specify:

- the principal amount being redeemed;
- the redemption date;
- the redemption price;
- the place or places of payment;
- the CUSIP number of the debt securities being redeemed;
- whether the redemption is pursuant to a sinking fund;
- that on the redemption date, interest, or, in the case of OID debt securities, original issue discount, will cease to accrue; and
- if bearer debt securities are being redeemed, that those bearer debt securities must be accompanied by all coupons maturing after the redemption date or the amount of the missing coupons will be deducted from the redemption price, or indemnity must be furnished, and whether those bearer debt securities may be exchanged for registered debt securities not being redeemed.

(Section 1104)

On or before any redemption date, we will deposit an amount of money with the trustee or with a paying agent sufficient to pay the redemption price. (Section 1105)

If less than all the debt securities are being redeemed, the trustee shall select the debt securities to be redeemed using a method it considers fair and appropriate, by lot or pro rata, in each case subject to the applicable procedures of the depository. (Section 1103) After the redemption date, holders of debt securities which were redeemed will have no rights with respect to the debt securities except the right to receive the redemption price and any unpaid interest to the redemption date. (Section 1106)

Concerning the Trustee

Deutsche Bank Trust Company Americas is the trustee under the indenture. Deutsche Bank Trust Company Americas has performed and will perform other services for us and certain of our subsidiaries in the normal course of its business.

Governing Law

The laws of the State of New York govern the indenture and will govern the debt securities. (Section 112)

DESCRIPTION OF COMMON STOCK

We are authorized to issue 5,000,000,000 shares of Class A common stock, without par value, which we refer to as “common stock,” and 500,000,000 shares of preferred stock, without par value. As of January 31, 2017, there were 1,528,790,172 shares of common stock outstanding and 56,105 shareholders of record, and no shares of preferred stock outstanding. As of December 31, 2016, there were 60,270,666 shares of common stock reserved for outstanding stock options and other stock awards.

The principal stock exchange on which our common stock is listed is The NASDAQ Global Select Market under the symbol “MDLZ.” All outstanding shares of common stock are validly issued, fully paid and nonassessable.

The following description of the terms of our common stock is not complete and is qualified in its entirety by reference to our amended and restated articles of incorporation and our amended and restated by-laws. To find out where copies of these documents can be obtained, please see the section of this prospectus entitled “Where You Can Find More Information.”

Voting Rights

The holders of our common stock are entitled to one vote on all matters submitted for action by our shareholders. There is no provision for cumulative voting with regard to the election of directors.

Dividend and Liquidation Rights

Subject to the preferences applicable to any shares of preferred stock outstanding at any time, holders of our common stock are entitled to receive dividends when and as declared by our board of directors from funds legally available therefore and are entitled, in the event of a liquidation, to share ratably in all assets remaining paid after payment of liquidation.

Other Rights

The holders of our common stock have no preemptive rights and no rights to convert their common stock into any other securities, and our common stock is not subject to any redemption or sinking fund provisions.

Anti-Takeover Provisions of our Articles of Incorporation, our By-Laws and Virginia Law

Various provisions contained in our amended and restated articles of incorporation, our amended and restated by-laws and Virginia law could delay or discourage some transactions involving an actual or potential change in control of Mondelez International or our management and may limit the ability of our shareholders to remove current management or approve transactions that our shareholders may deem to be in their best interests. Provisions in our amended and restated articles of incorporation and our amended and restated by-laws:

- authorize our board of directors to establish one or more series or classes of undesignated preferred stock, the terms of which can be determined by the board of directors at the time of issuance;
- do not authorize cumulative voting;
- provide that only a majority of the board of directors or the chairman of the board of directors may call a special meeting of the shareholders, except that the board of directors must call a special meeting upon the request from at least 20% of the combined voting power of the outstanding shares of all classes of our capital stock;
- provide an advanced written notice procedure with respect to shareholder proposals and shareholder nomination of candidates for election as directors; and

[Table of Contents](#)

- provide that our directors may fill any vacancies on our board of directors, including vacancies resulting from a board of directors resolution to increase the number of directors.

In addition, Virginia law contains provisions governing material acquisition transactions (“affiliated transactions”) between us and any holder of more than 10% of any class of its outstanding voting shares (an “interested shareholder”). In general, these provisions prohibit a Virginia corporation from engaging in an affiliated transaction with an interested shareholder for a period of three years following the date such person became an interested shareholder, unless (1) a majority of the disinterested directors and the holders of at least two-thirds of the remaining voting shares approved the affiliated transaction or (2) before the date that the person became an interested shareholder, a majority of the disinterested directors approved the transaction that resulted in the person becoming an interested shareholder. After three years, any such transaction must be at a “fair price,” as statutorily defined, or must be approved by the holders of at least two-thirds of the voting shares, other than those beneficially owned by the interested shareholder or by a majority of the disinterested directors. Affiliated transactions subject to this approval requirement include mergers, share exchanges, material dispositions of corporate assets not in the ordinary course of business, the sale of shares of the corporation or any of its subsidiaries to an interested shareholder having an aggregate fair market value of greater than 5% of the aggregate fair market value of the corporation’s outstanding shares, any dissolution of Mondelez International proposed by or on behalf of an interested shareholder or any reclassification, including reverse stock splits, recapitalization or merger of Mondelez International with its subsidiaries, that increases the percentage of voting shares beneficially owned by an interested shareholder by more than 5%.

The shareholders of a Virginia corporation may adopt an amendment to the corporation’s articles of incorporation or by-laws opting out of the provisions of Virginia law governing affiliated transactions. Neither our amended and restated articles of incorporation nor our amended and restated by-laws contain a provision opting out of the provisions of Virginia law governing affiliated transactions.

Virginia law also contains provisions relating to “control share acquisitions,” which are transactions causing the voting strength of any person acquiring beneficial ownership of shares of a Virginia public corporation to meet or exceed certain threshold percentages (20%, 33 1/3% or 50%) of the total votes entitled to be cast for the election of directors. Shares acquired in a control share acquisition have no voting rights unless (1) the voting rights are granted by a majority vote of all outstanding shares other than those held by the acquiring person or any officer or employee director of the corporation or (2) the articles of incorporation or by-laws of the corporation provide that these Virginia law provisions do not apply to acquisitions of its shares. The acquiring person may require that a special meeting of the shareholders be held to consider the grant of voting rights to the shares acquired in the control share acquisition.

As permitted by Virginia law, our amended and restated articles of incorporation contain a provision opting out of the Virginia anti-takeover law regulating control share acquisitions.

The transfer agent and registrar for our common stock is Wells Fargo Bank, N.A.

Item 15. Indemnification of Directors and Officers.

We are a Virginia corporation. The Virginia Stock Corporation Act (the “VSCA”) permits indemnification of a corporation’s directors and officers in a variety of circumstances, which may include indemnification for liabilities under the Securities Act. Sections 13.1-697 and 13.1-702 of the VSCA generally authorize a Virginia corporation to indemnify its directors and officers in civil or criminal actions if they acted in good faith and believed their conduct to be in the best interests of the corporation if acting in his or her official capacity with the corporation or, in all other cases, at least not opposed to its best interests, and, in the case of criminal actions, had no reasonable cause to believe that the conduct was unlawful. Additionally, Section 13.1-704 of the VSCA provides that a Virginia corporation has the power to make any further indemnity to any director or officer, including under its articles of incorporation or any by-law or shareholder resolution, except an indemnity against their willful misconduct or a knowing violation of the criminal law. Our amended and restated articles of incorporation require us to indemnify our directors, officers and other eligible persons to the full extent permitted by the VSCA.

Our amended and restated articles of incorporation also provide that, to the full extent that the VSCA permits the limitation or elimination of the liability of directors, officers and other eligible persons, no director, officer or such eligible person of Mondelēz International shall be liable to us or our shareholders for monetary damages arising out of any transaction, occurrence or course of conduct. Section 13.1-692.1 of the VSCA permits the elimination of liability of directors and officers in any proceeding brought by or in the right of a corporation or brought by or on behalf of shareholders of a corporation, except for liability resulting from such persons having engaged in willful misconduct or a knowing violation of the criminal law or any federal or state securities law, including, without limitation, any unlawful insider trading or manipulation of the market for any security. Sections 13.1-692.1 and 13.1-696 to -704 of the VSCA are hereby incorporated by reference herein.

We have entered into indemnification agreements with each of our directors pursuant to which we agree to indemnify, including advancing expenses to, each of them against any liabilities that he or she may incur as a result of his or her service as a Mondelēz International director (and in the case of Irene B. Rosenfeld, Mondelēz

[Table of Contents](#)

International's Chairman and Chief Executive Officer, also as an officer) to the fullest extent permitted by Virginia law and our articles of incorporation. We carry insurance on behalf of directors, officers, employees or agents that may cover liabilities under the Securities Act.

Item 16. Exhibits.

A list of exhibits filed herewith or incorporated by reference is contained in the Exhibit Index which is incorporated herein by reference.

Item 17. Undertakings.

(a) The undersigned Registrant hereby undertakes:

(1) To file, during any period in which offers or sales are being made, a post-effective amendment to this registration statement:

(i) to include any prospectus required by Section 10(a)(3) of the Securities Act;

(ii) to reflect in the prospectus any facts or events arising after the effective date of the registration statement (or the most recent post-effective amendment thereof) which, individually or in the aggregate, represent a fundamental change in the information set forth in the registration statement. Notwithstanding the foregoing, any increase or decrease in volume of securities offered (if the total dollar value of securities offered would not exceed that which was registered) and any deviation from the low or high end of the estimated maximum offering range may be reflected in the form of prospectus filed with the SEC pursuant to Rule 424(b) if, in the aggregate, the changes in volume and price represent no more than a 20% change in the maximum aggregate offering price set forth in the "Calculation of Registration Fee" table in the effective registration statement; and

(iii) to include any material information with respect to the plan of distribution not previously disclosed in the registration statement or any material change to such information in the registration statement;

provided, however, that paragraphs (a)(1)(i), (a)(1)(ii) and (a)(1)(iii) above do not apply if the information required to be included in a post-effective amendment by those paragraphs is contained in reports filed with or furnished to the SEC by the Registrant pursuant to Section 13 or Section 15(d) of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), that are incorporated by reference in the registration statement, or is contained in a form of prospectus filed pursuant to Rule 424(b) that is part of the registration statement.

(2) That, for the purpose of determining any liability under the Securities Act, each such post-effective amendment shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(3) To remove from registration by means of a post-effective amendment any of the securities being registered which remain unsold at the termination of the offering.

(4) That, for the purpose of determining liability under the Securities Act to any purchaser:

(A) Each prospectus filed by the Registrant pursuant to Rule 424(b)(3) shall be deemed to be part of the registration statement as of the date the filed prospectus was deemed part of and included in the registration statement; and

(B) Each prospectus required to be filed pursuant to Rule 424(b)(2), (b)(5), or (b)(7) as part of a registration statement in reliance on Rule 430B relating to an offering made pursuant to Rule 415(a)(1)(i), (vii) or (x) for the purpose of providing the information required by Section 10(a) of the Securities Act shall be deemed to be part of and included in the registration statement as of the earlier of the date such form of prospectus is first used after effectiveness or the date of the first contract of sale of securities in the offering

described in the prospectus. As provided in Rule 430B, for liability purposes of the issuer and any person that is at that date an underwriter, such date shall be deemed to be a new effective date of the registration statement relating to the securities in the registration statement to which that prospectus relates, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

Provided, however, that no statement made in a registration statement or prospectus that is part of the registration statement or made in a document incorporated or deemed incorporated by reference into the registration statement or prospectus that is part of the registration statement will, as to a purchaser with a time of contract of sale prior to such effective date, supersede or modify any statement that was made in the registration statement or prospectus that was part of the registration statement or made in any such document immediately prior to such effective date.

(5) That, for the purpose of determining liability of the Registrant under the Securities Act to any purchaser in the initial distribution of the securities, the undersigned Registrant undertakes that in a primary offering of securities of the undersigned Registrant pursuant to this registration statement, regardless of the underwriting method used to sell the securities to the purchaser, if the securities are offered or sold to such purchaser by means of any of the following communications, the undersigned Registrant will be a seller to the purchaser and will be considered to offer or sell such securities to such purchaser:

- (i) Any preliminary prospectus or prospectus of the undersigned Registrant relating to the offering required to be filed pursuant to Rule 424;
- (ii) Any free writing prospectus relating to the offering prepared by or on behalf of the undersigned Registrant or used or referred to by the undersigned Registrant;
- (iii) The portion of any other free writing prospectus relating to the offering containing material information about the undersigned Registrant or its securities provided by or on behalf of the undersigned Registrant; and
- (iv) Any other communication that is an offer in the offering made by the undersigned Registrant to the purchaser.

(b) The undersigned Registrant hereby undertakes that, for purposes of determining any liability under the Securities Act, each filing of the Registrant's annual report pursuant to Section 13(a) or Section 15(d) of the Exchange Act (and, where applicable, each filing of an employee benefit plan's annual report pursuant to Section 15(d) of the Exchange Act) that is incorporated by reference in the registration statement shall be deemed to be a new registration statement relating to the securities offered therein, and the offering of such securities at that time shall be deemed to be the initial *bona fide* offering thereof.

(c) Insofar as indemnification for liabilities arising under the Securities Act may be permitted to directors, officers and controlling persons of the Registrant pursuant to the foregoing provisions, or otherwise, the Registrant has been advised that in the opinion of the SEC such indemnification is against public policy as expressed in the Securities Act and is, therefore, unenforceable. In the event that a claim for indemnification against such liabilities (other than the payment by the Registrant of expenses incurred or paid by a director, officer or controlling person of the Registrant in the successful defense of any action, suit or proceeding) is asserted by such director, officer or controlling person in connection with the securities being registered, the Registrant will, unless in the opinion of its counsel the matter has been settled by controlling precedent, submit to a court of appropriate jurisdiction the question whether such indemnification by it is against public policy as expressed in the Securities Act and will be governed by the final adjudication of such issue.

SIGNATURES

Pursuant to the requirements of the Securities Act, the Registrant certifies that it has reasonable grounds to believe that it meets all of the requirements for filing on Form S-3 and has duly caused this Registration Statement to be signed on its behalf by the undersigned, thereunto duly authorized, in the City of Deerfield, State of Illinois, on the 2nd day of March, 2017.

Re: Mondelēz International, Inc.
Registration Statement on Form S-3

Ladies and Gentlemen:

We have acted as counsel to Mondelēz International, Inc., a Virginia corporation (the “Company”), in connection with the preparation and filing with the Securities and Exchange Commission (the “Commission”) of a Registration Statement on Form S-3 (the “Registration Statement”) under the Securities Act of 1933, as amended (the “Securities Act”), relating to the registration under the Securities Act and the proposed issuance and sale from time to time pursuant to Rule 415 under the Securities Act, together or separately and in one or more series (if applicable) of:

- (i) the Company’s unsecured debt securities (the “Debt Securities”);
- (ii) guarantees of debt securities by the Company (the “Guarantees”);
- (iii) shares of the Company’s Class A common stock, with no par value (the “Common Stock”);
- (iv) shares of the Company’s preferred stock, with no par value (the “Preferred Stock”);
- (v) depositary shares each representing a fraction of a share of a particular series of Preferred Stock (the “Depositary Shares”);
- (vi) contracts for the purchase or sale of Debt Securities, Guarantees, Common Stock or Preferred Stock or other securities, currencies or commodities (the “Purchase Contracts”);
- (vii) warrants for the purchase of Common Stock, Preferred Stock, Depositary Shares, Debt Securities or Guarantees (the “Warrants”); and
- (viii) units of the Company comprised of any combination of Common Stock, Preferred Stock, Depositary Shares, Purchase Contracts, Debt Securities or Guarantees (the “Units”).

The Debt Securities, Guarantees, Depositary Shares, Purchase Contracts, Warrants, and Units are collectively referred to herein as the “Securities.” The Debt Securities are to be issued under an indenture, entered into between the Company and Deutsche Bank Trust Company Americas, as trustee (the “Base Indenture”).

In arriving at the opinions expressed below, we have examined originals, or copies certified or otherwise identified to our satisfaction as being true and complete copies of the originals, of the Base Indenture, forms of the Debt Securities, Guarantees and such other documents, corporate records, certificates of officers of the Company and of public officials and other instruments as we have deemed necessary or advisable to enable us to render these opinions. In our examination, we have assumed the genuineness of all signatures, the legal capacity and competency of all natural persons, the authenticity of all documents submitted to us as originals and the conformity to original documents of all documents submitted to us as copies. As to any facts material to these opinions, we have relied to the extent we deemed appropriate and without independent investigation upon statements and representations of officers and other representatives of the Company and others.

We have assumed without independent investigation that:

- (i) at the time any Securities are sold pursuant to the Registration Statement (the "Relevant Time"), the Registration Statement and any supplements and amendments thereto (including post-effective amendments) will be effective and will comply with all applicable laws;
- (ii) at the Relevant Time, a prospectus supplement will have been prepared and filed with the Commission describing the Securities offered thereby and all related documentation and will comply with all applicable laws;
- (iii) all Securities will be issued and sold in the manner stated in the Registration Statement and the applicable prospectus supplement;
- (iv) at the Relevant Time, all corporate or other action required to be taken by the Company to duly authorize each proposed issuance of Securities and any related documentation, and the execution (in the case of certificated Securities), delivery and performance of the Securities and any related documentation referred to in paragraphs 1 through 6 below) shall have been duly completed and shall remain in full force and effect;
- (v) in the case of Debt Securities, at the Relevant Time, the Base Indenture shall have been duly qualified under the Trust Indenture Act of 1939, as amended; and
- (vi) at the Relevant Time, a definitive purchase, underwriting or similar agreement and any other necessary agreement with respect to any Securities offered or issued will have been duly authorized by all necessary corporate or other action of the Company and duly executed and delivered by the Company and the other parties thereto.

Based on the foregoing and in reliance thereon, and subject to the assumptions, exceptions, qualifications and limitations set forth herein, we are of the opinion that:

1. With respect to any Debt Securities, when:
 - a. the terms and conditions of such Debt Securities have been duly established by supplemental indenture or officers' certificate in accordance with the terms and conditions of the Base Indenture,
 - b. any such supplemental indenture or officers' certificate has been duly executed and delivered by the Company and, as applicable, the trustee (such supplemental indenture or officers' certificate, together with the Base Indenture, the "Indenture"), and
 - c. such Debt Securities have been duly executed (in the case of certificated Debt Securities), delivered and authenticated in accordance with the terms of the applicable Indenture and issued and sold for the consideration set forth in the applicable definitive purchase, underwriting or similar agreement,

such Debt Securities will be legal, valid and binding obligations of the Company, enforceable against the Company in accordance with their respective terms.

2. With respect to any Guarantee, when:
 - a. a guarantee agreement relating to such Guarantee ("Guarantee Agreement") has been duly executed and delivered by the Company, the trustee and each other party thereto,
 - b. the terms of the Guarantee have been established in accordance with the Guarantee Agreement, and
 - c. the Guarantee has been duly executed and delivered in accordance with the applicable Guarantee Agreement, and, if applicable, issued and sold for the consideration set forth in the applicable definitive purchase, underwriting or similar agreement for the consideration provided for therein,

such Guarantee will be legal, valid and binding obligations of the Company, enforceable against the Company in accordance with its terms.

3. With respect to Depositary Shares, when:
 - a. a deposit agreement relating to such Depositary Shares ("Deposit Agreement") has been duly executed and delivered by the Company and the depositary appointed by the Company,

- b. the terms of the Depositary Shares have been established in accordance with the Deposit Agreement, and
- c. the depositary receipts representing the Depositary Shares have been duly executed and countersigned (in the case of certificated Depositary Shares), registered and delivered in accordance with the applicable Deposit Agreement and, if applicable, issued and sold for the consideration set forth in the applicable definitive purchase, underwriting or similar agreement,

the depositary receipts evidencing the Depositary Shares will be legal, valid and binding obligations of the Company, enforceable against the Company in accordance with their terms.

4. With respect to any Purchase Contracts, when:

- a. the related purchase contract agreement (“Purchase Contract Agreement”), if any, has been duly executed and delivered by the Company and each other party thereto,
- b. the terms of the Purchase Contracts have been established in accordance with the Purchase Contract Agreement, if any, or the applicable definitive purchase, underwriting or similar agreement,
- c. if applicable, the terms of any collateral or security arrangements relating to such Purchase Contracts have been established and the agreements thereto have been validly executed and delivered by each of the parties thereto and any collateral has been deposited with the collateral agent in accordance with such arrangements, and
- d. such Purchase Contracts have been duly executed (in the case of certificated Purchase Contracts) and delivered in accordance with the applicable Purchase Contract Agreement, if any, and the applicable definitive purchase, underwriting or similar agreement for the consideration provided for therein,

such Purchase Contracts will be legal, valid and binding obligations of the Company, enforceable in accordance with their terms.

5. With respect to any Warrants, when:

- a. the warrant agreement relating to such Warrants (the “Warrant Agreement”), if any, has been duly executed and delivered by the Company and each other party thereto,

- b. the terms of the Warrants have been established in accordance with the Warrant Agreement, if any, or the applicable definitive purchase, underwriting or similar agreement, and
- c. the Warrants have been duly executed (in the case of certificated Warrants) and delivered in accordance with the applicable Warrant Agreement, if any, and the applicable definitive purchase, underwriting or similar agreement for the consideration provided for therein,

such Warrants will be legal, valid and binding obligations of the Company, enforceable against the Company in accordance with their terms.

6. With respect to any Units, when:

- a. the unit agreement relating to the Units (the "Unit Agreement"), if any, has been duly executed and delivered by the Company and each other party thereto,
- b. the terms of the Units have been duly established in accordance with the Unit Agreement, if any, or the applicable definitive purchase, underwriting or similar agreement, and
- c. the Units have been duly executed (in the case of certificated Units) and delivered in accordance with the applicable Unit Agreement, if any, and the applicable definitive purchase, underwriting or similar agreement for the consideration provided for therein,

the Units will be legal, valid and binding obligations of the Company, enforceable against the Company in accordance with their terms.

The opinions expressed above are subject to the following additional exceptions, qualifications, limitations and assumptions:

A. We render no opinion herein as to matters involving the laws of any jurisdiction other than the State of New York and the United States of America. This opinion is limited to the effect of the current state of the laws of the State of New York and the United States of America and the facts as they currently exist. We assume no obligation to revise or supplement this opinion in the event of future changes in such laws or the interpretations thereof or such facts.

B. The opinions above are each subject to (i) the effect of any bankruptcy, insolvency, reorganization, moratorium, arrangement or similar laws affecting the rights and remedies of creditors' generally, including without limitation the effect of statutory or other laws regarding fraudulent transfers or preferential transfers, and (ii) general principles of equity, including without limitation concepts of materiality, reasonableness, good faith and fair

dealing and the possible unavailability of specific performance, injunctive relief or other equitable remedies regardless of whether enforceability is considered in a proceeding in equity or at law.

C. We express no opinion regarding the effectiveness of (i) any waiver of stay, extension or usury laws or of unknown future rights and (ii) provisions relating to indemnification, exculpation or contribution, to the extent such provisions may be held unenforceable as contrary to public policy or federal or state securities laws.

D. To the extent relevant to our opinions in paragraphs 3, 4, 5 and 6 and not covered by our opinion in paragraph 1, we have assumed that any securities, currencies or commodities underlying, comprising or issuable upon exchange, conversion or exercise of any Depositary Shares, Purchase Contracts, Warrants, or Units are validly issued, fully paid and non-assessable (in the case of an equity security) or a legal, valid and binding obligation of the issuer thereof, enforceable against such issuer in accordance with its terms.

E. To the extent relevant to our opinions in paragraphs 2, 4, 5 and 6, we have assumed that the debt underlying any Guarantee is a legal, valid and binding obligation of the issuer thereof, enforceable against such issuer in accordance with its terms.

You have informed us that you intend to issue Securities from time to time on a delayed or continuous basis, and we understand that prior to issuing any Securities pursuant to the Registration Statement (i) you will advise us in writing of the terms thereof, and (ii) you will afford us an opportunity to (x) review the operative documents pursuant to which such Securities are to be issued or sold (including the applicable offering documents), and (y) file such supplement or amendment to this opinion (if any) as we may reasonably consider necessary or appropriate.

We consent to the filing of this opinion as an exhibit to the Registration Statement, and we further consent to the use of our name under the caption "Validity of the Securities" in the Registration Statement and the prospectus that forms a part thereof. In giving these consents, we do not thereby admit that we are within the category of persons whose consent is required under Section 7 of the Securities Act or the rules and regulations of the Commission promulgated thereunder.
